WHEREAS, in order to further secure Owner's present and future Obligations (as defined in the Loan Agreement) to the Lender, Owner wishes to grant to Lender a security interest in the Collateral and the goodwill and certain other assets with respect to the Collateral, as further set forth herein.

NOW, THEREFORE, for good and valuable consideration, receipt of which is hereby acknowledged, as additional security for the full payment and performance of the Obligations, and to further evidence the security interest granted by to the Lender pursuant to the Loan Agreement, Owner hereby conveys to Lender and grants to Lender a security interest in all of Owner's right, title and interest in:

- (a) the Patents and Trademarks;
- (b) all right of action, claims for damages, profits and costs, all other demands for any sum or sums of money whatsoever which it has or may have either at law or in equity, against any and all persons, firms, corporations and associations by reason of claims of infringement upon said Patents and Trademarks.

All of the foregoing items set forth in clauses (a) through (h) are hereinafter referred to collectively as the "Collateral."

AND Owner and Lender agree as follows:

1. **Owner's Obligations.** Owner agrees that, notwithstanding this Assignment, it will perform and discharge and remain liable for all its covenants, duties, and obligations arising in connection with the Collateral and any licenses and agreements related thereto. Lender shall have no obligation or liability in connection with the Collateral or any licenses or agreements relating thereto by reason of this Assignment or any payment received by Lender relating to Collateral, nor shall Lender be required to perform any covenant, duty, or obligation or Owner arising in connection with the Collateral or any license or agreement related thereto or to take any other action regarding the Collateral or any such licenses or agreement.

Owner shall have the obligation to maintain, preserve or renew the Patents and Trademarks, and take any action to prohibit the infringements or unauthorized use of same by any third party, in each case if Owner deems such maintenance, preservation, renewal or action to be material to its business. Lender shall have no obligation to maintain, preserve or renew the Patents and Trademarks, nor to take any action to prohibit the infringements or unauthorized use of same by any third party.

2. **Use Prior to Default.** Unless and until an Event of Default under, and as defined in, the Loan Agreement, or under any future note evidencing the Obligations in favor of Lender, shall exist, Owner shall retain the legal and equitable title to the Patents and Trademarks and shall have the right to use the Collateral and make, and use the inventions disclosed and claimed in the Patents in the ordinary course of its business, subject to the terms and covenants of the Loan Agreement, and this Assignment.

3. **Remedies Upon Default.** Whenever any Event of Default, under, and as defined in, the Loan Agreement, or under any future note evidencing the Obligations in favor of Lender, shall exist, Owner's rights pursuant to Section 2 hereof shall terminate and be null and void, and Lender shall have all the rights and remedies granted to it in such event by the Loan Agreement or security agreements, which rights and remedies are specifically incorporated herein by reference and made a part hereof. Lender in such event may collect directly any payments due to Owner in respect of the Collateral and may sell, license, lease, assign, or otherwise dispose of the Collateral in the manner set forth in the Loan Agreement or in any security agreement by Owner in favor of Lender. Owner agrees that, in the event of any disposition of the Collateral upon any such Event of Default, it will duly execute, acknowledge, and deliver all documents necessary or advisable to record title to the Collateral in any transferee or transferees thereof, including, without limitation, valid, recordable assignments of the Patents and Trademarks and Tradenames. In the event Owner fails or refuses to execute and deliver such documents, Owner hereby irrevocably appoints Lender as its attorney-in-fact, with power of substitution, to execute, deliver, and record any such documents on Owner's behalf. For the purpose of enabling Lender to exercise rights and remedies upon any such Event of Default, Lender hereby grants to Lender an irrevocable, non-exclusive license (exercisable without payment of royalty or other compensation to Owner) to use, assign, license, or sub-license any of the Collateral, now owned or hereafter acquired by Owner, and wherever the same may be located.

4. **Cumulative Remedies.** The rights and remedies provide herein are cumulative and not exclusive of any other rights or remedies provided by law. The rights and remedies provided herein are intended to be in addition to and not in substitution of the rights and remedies provided by the Loan Agreement or any other agreement or instrument delivered in connection therewith.

5. **Amendments and Waivers.** This Agreement may not be modified, supplemented or amended, or any of its provisions waived at the request of Owner, without the prior written consent of Lender.

6. **Reassignment.** At such time as Owner shall completely satisfy all of the Obligations, Lender will, at Owner's request, execute and deliver to Owner all deeds, assignments and other instruments as may be necessary or proper to release Lender's interest and re-vest Owner full and clear title to the Collateral, subject to disposition thereof which may have been made by Lender pursuant hereto.

7. **Severability.** If any clause or provision of this Agreement shall be held invalid or unenforceable, in whole or in part, in any jurisdiction, such invalidity or unenforceability shall attach only to such clause or provision, or part thereof, and shall not in any manner affect any other clause or provision in any jurisdiction.

8. **Notices.** All notices, requests and demands to or upon Owner or Lender under this Agreement shall be given in the manner prescribed in the Loan Agreement.

9. **Governing Law.** This Agreement shall be governed by, construed, applied and enforced in accordance with the substantive laws of the State of New Jersey and the United States of America as applicable..

IN WITNESS WHEREOF, the parties have entered into this Patent and Trademark Security Agreement on this 9th day December, 2011.
