TRADEMARK ASSIGNMENT

December 29, 2011

This Trademark Assignment (this "Assignment") is entered into as of the date first written above by and between Jack H. Wilson, Sr. and Polycon Manufacturing, LLC, a Mississippi limited liability company, formerly known as Polymer Group, LLC d/b/a Polycon Manufacturing Division of Polymer Group (collectively, the "Assignor") and LJB Group, LLC, an Alabama limited liability company ("Assignee").

WHEREAS, Assignor and Assignee are parties to that certain Agreement for the Purchase and Sale of Assets dated as of December 29, 2011 (the "Agreement");

WHEREAS, Assignor has adopted, used and owned the trademarks set forth on Exhibit A attached hereto (collectively, the "Marks");

WHEREAS, pursuant to the terms of the Agreement, Assignor desires to sell, assign, transfer and convey the Marks, the goodwill of Assignor in connection with the Marks, and any common law trademarks and licenses associated with the Marks to Assignee and Assignee desires to assume and acquire the same.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor does hereby make the following representations and warranties to Assignee:

1. Assignor does hereby sell, assign, transfer and convey unto Assignee as of the date hereof the entire right, title and interest in and to the Marks, and all goodwill associated with the Marks, as well as any common law trademarks and licenses associated with the Marks, together with the right to sue for past, present and future infringement of the Marks, the same to be held by Assignee, its successors and assigns, as fully and entirely as the Marks would have been held and enjoyed by Assignor if this Assignment had not been made.

2. Assignor hereby covenants and warrants that, as of the date hereof, Assignor has the full right and power to convey the Marks; that the Marks are free and clear of all liens, charges and encumbrances whatsoever; that Assignor is not aware of, and has received no notice of, any actual or threatened litigation or inquiries concerning the validity of the Marks; that Assignor has not otherwise assigned or granted any licenses to the Marks; and that Assignor has not executed and will not execute any agreement in conflict with this Assignment.

3. Assignor hereby agrees that, upon request, Assignor will sign any and all additional documents which are requested by Assignee as necessary to more specifically sell, assign, convey and transfer the Marks as set forth herein.

4. This Assignment is binding up on, shall inure to the benefit of, and shall be performed by, the parties named, their heirs, administrators, legal representatives, successors and assigns.

5. Assignor hereby authorizes and requests the United States Patent and Trademark Office to record this Assignment against the Marks.

6. Assignor does hereby waive and release any moral rights, including the rights of attribution or integrity, that Assignor may have in the Marks, including any moral rights arising under 17 U.S.C. §106A, other U.S. federal law, state law or the laws of any foreign country for any and all applications in which either the right of attribution or the right of integrity may be implicated. The moral rights waived include, but are not limited to, (1) any right to require Assignee to identify Assignor as the author of the Marks and (2) the right to prevent destruction of, or any intentional distortion, mutilation or other modification of, the Marks.

IN WITNESS WHEREOF, Assignor has caused this document to be duly and legally executed as of the date set forth above.
