## TRADEMARK ASSIGNMENT

This Trademark Assignment (the "Assignment") is made and entered into as of June 27, 2011 (the "Effective Date"), by and between MOBILE MONEY VENTURES LLC, a Delaware limited liability company, ("Assignor") and INTUIT, INC., a Delaware corporation ("Assignee"). Defined terms not specifically defined herein shall have the meanings ascribed to them in the Asset Purchase Agreement, dated as of even date herewith (the "Purchase Agreement"), by and among Assignor, Assignee, SK Telecom Americas, Inc., a Delaware corporation and Citi 1983 Investments GP Inc., a Delaware corporation.

WHEREAS, pursuant to the Purchase Agreement, Assignor has agreed to assign to Assignee certain trademarks and trademark applications as listed on Exhibit A to this Assignment (the "Marks");

WHEREAS, to effect the transfer of the Marks as contemplated in the Purchase Agreement, Assignor and Assignee desire to enter into this Assignment;

NOW, THEREFORE, in consideration of the mutual promises of the parties, and for good and valuable consideration, the receipt, adequacy and legal sufficiency of which are hereby acknowledged, the parties hereby agree as follows:

1. Assignment. Assignor does hereby sell, assign, transfer, convey and deliver to Assignee, all right, title, and interest in and to the Marks, not only in the United States and its territorial possessions, but in all countries foreign thereto, and all goodwill associated therewith, together with all claims for damages and other remedies by reason of past infringements of the Marks, whether arising prior to or subsequent to the date of this Assignment, along with the right to sue for and collect such damages and other remedies for the use and benefit of Assignee and its successors, assigns and other legal representatives.

2. Authorization. Assignor hereby authorizes and requests the Commissioner of Patents and Trademarks of the United States, and, in the case of any trademark applications filed with any office of any country or countries foreign to the United States, any officer of such country whose duty it is to issue trademark registrations or other evidence or forms of intellectual property protection or applications as aforesaid, to issue the same to Assignee and its successors, assigns and other legal representatives in accordance with the terms of this Assignment.

3. Conflicts. Assignor makes no representations or warranties with respect to the Marks except as specifically set forth in the Purchase Agreement. Notwithstanding any other provisions of this Assignment to the contrary, Assignor acknowledges and agrees that the representations, warranties, covenants, agreements, conditions, indemnities, rights and remedies contained in the Purchase Agreement shall not be superseded, modified, replaced, amended, changed, rescinded, or in any way affected hereby, but shall remain in full force and effect to the full extent provided in the Purchase Agreement. This Assignment is subject to and controlled by the terms of the Purchase Agreement, and in the event of any conflict or inconsistency between

the terms of the Purchase Agreement and the terms hereof, the terms of the Purchase Agreement shall govern.

4. Further Actions. Assignor covenants and agrees, at its own expense, to execute and deliver, at the request of Assignee, such further instruments of transfer and assignment and to take such other actions as reasonably requested by Assignee to more effectively consummate the assignments and assumptions contemplated by this Assignment.

5. Governing Law. This Assignment shall be governed by and construed in accordance with the laws of the State of Delaware, without giving effect to principles of conflicts of laws that would require the application of the laws of any other jurisdiction.

6. Notices. All notices and other communications hereunder shall be in writing and shall be deemed to have been duly given when delivered in person, by telecopy with answer back, by express or overnight mail delivered by a nationally recognized air courier (delivery charges prepaid), by registered or certified mail (postage prepaid, return receipt requested) or by e-mail with receipt confirmed by return e-mail to the respective parties as set forth below, or such other address as may be designated in writing hereafter, in the same manner, by such party:

If to Assignor:

Any notice or communication delivered in person shall be deemed effective on delivery. Any notice or communication sent by e-mail, telecopy or by air courier shall be deemed effective on the first business day following the day on which such notice or communication was sent. Any notice or communication sent by registered or certified mail shall be deemed effective on the third business day following the day on which such notice or communication was mailed.

7. Amendment. Any term of this Assignment may be amended, modified, rescinded, canceled or waived, in whole or in part, only by a written instrument signed by each of the parties' authorized representatives or their respective permitted successors and assigns. Any amendment or waiver effected in accordance with this Section shall be binding upon the parties and their respective successors and assigns.

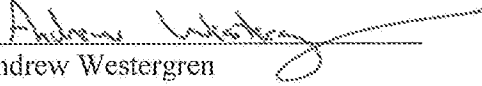

8. Counterparts. This Assignment may be executed in one or more counterparts, and by the different parties hereto in separate counterparts, each of which when executed shall be deemed to be an original but all of which taken together shall constitute one and the same agreement.
