**NOTICE OF GRANT OF SECURITY
INTEREST IN TRADEMARKS**

THIS NOTICE OF GRANT OF SECURITY INTEREST IN TRADEMARKS (the "Notice") is made by Ed Mitchell West LLC, a Delaware limited liability company, having its chief executive office and principal place of business at 670 Post Road East, Westport, Connecticut 06880 (the "Grantor"), in favor of Bank of America, N.A., a national association organized and existing under the laws of the United States of America, having a banking office at One Landmark Square, 12th Floor, Stamford, Connecticut 06901 (the "Lender"), to evidence the grant by Grantor to Lender of a continuing first priority lien and security interest in the collateral described below pursuant to the terms of a certain Loan and Security Agreement dated as of May 4, 2012, by and between Grantor and Lender (the "Loan and Security Agreement"), to secure Grantor's indebtedness to Lender under the terms of the Loan and Security Agreement.

NOW, THEREFORE, in consideration of the premises set forth herein and for other good and valuable consideration, receipt and sufficiency of which are hereby acknowledged, Grantor agrees as follows:

To secure the payment and performance of the obligations of Grantor to Lender under the Loan and Security Agreement, Grantor hereby grants to Lender, for its benefit and hereby reaffirms its prior grant pursuant to the Loan and Security Agreement, a continuing security interest in the following (collectively, the "Trademark Collateral"):

All of Grantor's right, title and interest (if any) in and to all of the following: (i) all state (including common law), federal and foreign trademarks, service marks and trade names, and applications for registration of such trademarks, service marks and trade names, all licenses relating to any of the foregoing and all income and royalties with respect to any business (including such marks, names and applications described on Schedule A attached hereto and made a part hereof), whether registered or unregistered and wherever registered (collectively, the "Trademarks") and all of the goodwill of the business connected with the use of, and symbolized by, each of the Trademarks; and (ii) all proceeds, including, without limitation, any claim by Grantor against third parties for past, present or future infringement or dilution of the Trademarks or injury to the goodwill associated with the Trademarks.

Upon payment and performance in full of all obligations of Grantor to Lender under the Loan and Security Agreement, the security interests created by the Loan and Security Agreement in the Trademark Collateral shall terminate and Lender shall promptly execute and deliver to Grantor such documents and instruments reasonably requested by Grantor as shall be necessary to evidence termination of all such security interests given by Grantor to Lender in the Trademark Collateral.

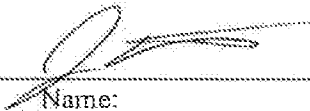

This Notice is made, executed and delivered in the State of Connecticut, and it is the specific desire and intention of the parties that it shall in all respects be construed under the laws of the State of Connecticut, without regard to conflict of law principles thereof.

This Notice may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute but one and the same instrument.
