ASSIGNMENT OF INTELLECTUAL PROPERTY

This Assignment of Intellectual Property (this "Assignment of Intellectual Property") is made this 27th day of June, 2012, by and between Freedom Eastern North Carolina Communications, Inc., a Delaware corporation ("Assignor"), in favor of Halifax Eastern North Carolina, LLC, a Florida limited liability company ("Assignee").

WHEREAS, Assignor is the owner of certain registrations for the Intellectual Property that is identified in Schedule A and has used such intellectual property in connection with the Business, and Assignor owns and has used in its business certain internet domain names as listed in Schedule B (collectively, the "Intellectual Property") and desires to assign all right, title and interest in, to and under the Intellectual Property, together with the goodwill and business symbolized thereby; and

WHEREAS, Assignee desires to obtain all of Assignor's right, title and interest in, to and under the Intellectual Property; and

WHEREAS, pursuant to that certain Asset Purchase Agreement (the "Purchase Agreement"), dated as of June 1, 2012, by and among Assignor, Florida Freedom Newspapers, Inc., a Florida corporation, The Times -- News Publishing Company, a North Carolina corporation, Freedom Shelby Star, Inc., a Delaware corporation, Gaston Gazette, LLP, a North Carolina limited liability partnership, and Freedom Communications, Inc., a Delaware corporation, and Halifax Media Holdings LLC, a Delaware limited liability company and the ultimate parent of Assignee ("Halifax"), Assignor has agreed to assign all of its right, title and interest in, to and under the Intellectual Property to Halifax, and Halifax has agreed to accept such assignment. Assignee is a subsidiary of Halifax and has agreed to be bound by the Purchase Agreement and the Ancillary Agreements to which Assignee or Halifax is a party on a joint and several basis with Halifax and certain other subsidiaries of Halifax. Capitalized terms used but not defined in this Assignment of Intellectual Property shall have the meanings set forth in the Purchase Agreement.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and pursuant to the terms and conditions of the Purchase Agreement, Assignor hereby sells, conveys, transfers, assigns and delivers to Assignee, its successors and assigns all of Assignor's right, title and interest throughout the world in perpetuity in, to and under the Intellectual Property, free of all Encumbrances other than Permitted Encumbrances, whether statutory or at common law, including all registrations and applications therefor, the right to sue and recover for all past, present and future infringements and other violations of the Intellectual Property, and the goodwill associated with such Intellectual Property in the operation of the Business, the same to be held and enjoyed by Assignee to the same extent that such would have been held and enjoyed by Assignor had this assignment not been made. Buyer hereby purchases, acquires and accepts such right, title and interest to and under the Intellectual Property.

This Assignment of Intellectual Property is intended to evidence the consummation of the transactions contemplated by the Purchase Agreement and is subject to the terms and conditions

set forth in the Purchase Agreement. Assignor hereby covenants and agrees to use its commercially reasonable efforts to provide any further necessary documentation and do all further acts reasonably requested by Assignee in this regard to confirm and perfect title in and to the Intellectual Property in Assignee. This Assignment of Intellectual Property is made without representation or warranty, except as provided in or pursuant to the Purchase Agreement. Nothing contained in this Assignment of Intellectual Property shall be construed to supersede, limit or qualify any provision of the Purchase Agreement. To the extent there is a conflict between the terms and provisions of this Assignment of Intellectual Property and the terms and provisions of the Purchase Agreement, the terms and provisions of the Purchase Agreement shall govern.

This Assignment of Intellectual Property shall be binding upon, and inure to the benefit of, the parties hereto, their respective successors in interest, and their respective permitted assigns.

Delivery of an executed signature page of this Assignment of Intellectual Property by facsimile or other electronic transmission shall be effective as delivery of a manually executed original signature page of this Assignment of Intellectual Property. This Assignment of Intellectual Property may be executed in any number of counterparts, each of which shall be deemed an original, but all of which taken together shall constitute one and the same instrument.
