TRADEMARK ASSIGNMENT

This Trademark Assignment (the "Assignment") is made effective as of July 13, 2012 ("Effective Date") by and between the Conifer Group, LLC, a California limited liability company (the "Assignor") and InvestCloud Solutions, LLC, a Delaware limited liability company (the "Assignee")

WHEREAS, Assignor has registered and is the owner of the service mark listed on Exhibit A attached hereto and made part hereof (the "Mark"); and

WHEREAS, it is the Assignor's intention to assign and transfer to the Assignee all of its rights, title and interest in and to the Mark in perpetuity; and

WHEREAS, the Assignee desires to purchase or acquire all of the Assignor's rights, title and interest in and to the Mark.

NOW, THEREFORE, in consideration of the mutual covenants and obligations set forth herein, Assignor and Assignee hereby agree as follows:

- 1. ASSIGNMENT.** Assignor does hereby irrevocably assign to Assignee all rights, title, and interest in and to the Mark. Assignee shall have no registration rights with respect to any other registered marks of the Assignor.
- 2. CONSIDERATION.** In consideration of the mutual promises contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree to the assignment set forth in Section 1.
- 3. REPRESENTATIONS AND WARRANTIES.** Assignor represents and warrants to Assignee: (i) Assignor has the right, power and authority to enter into this Agreement; (ii) Assignor is the exclusive owner of all right, title and interest, including all intellectual property rights, in the Mark; (iii) The Mark is free of any liens, security interests, encumbrances or licenses; (iv) The Mark does not infringe the rights of any person or entity; (v) There are no claims, pending or threatened, with respect to Assignor's rights in the Mark; (vi) This Assignment is valid, binding and enforceable in accordance with its terms in all jurisdictions pertaining hereto; and (vii) Assignor is not subject to any agreement, judgment or order inconsistent with the terms of this Assignment.
- 4. ENTIRE UNDERSTANDING.** This Assignment constitutes the entire understanding and agreement, and supersedes any and all prior or

contemporaneous representations, understandings and agreements, between the parties with respect to the subject matter of this Assignment, all of which are merged in this Assignment. Each party acknowledges that it has entered into this Assignment in reliance only upon the representations, warranties and promises specifically contained or incorporated into this Assignment.

5. AMENDMENT, WAIVER AND MODIFICATION. No provision of this Assignment will be deemed waived, altered, modified or amended unless agreed to in writing by the parties. A party's failure to insist on strict compliance with this Assignment or any other course of conduct on a party's part will not be deemed a waiver of the party's rights under this Assignment.

6. SEVERABILITY. In the event that any provision of this Assignment is found invalid, unlawful or unenforceable by any court of competent authority, that provision will be deemed not to be part of this Assignment. The remainder of this Assignment will remain valid and enforceable according to its terms.

7. AGREEMENT TO PERFORM NECESSARY ACTS. Assignee agrees to perform any further acts and execute and deliver any documents that may be reasonably necessary to carry out the provisions of this Assignment.

8. GOVERNING LAW. This Agreement shall be deemed to have been made in the State of California and shall be construed, and the contractual rights and liabilities of the parties determined, in accordance with the laws of the State of California without giving effect to the choice of law or conflicts of law provisions thereof.
