THIS TRADEMARK ASSIGNMENT (the "*Assignment*") is made as of September 10, 2010 by VT Silicon, Inc., a Delaware corporation (the "*Company*").

WHEREAS, Micro RF Silicon, Inc. ("*Micro*") and the Company are parties to a certain Asset Purchase Agreement (the "*Purchase Agreement*") dated as of September 10, 2010. Capitalized terms used and not otherwise defined herein shall have the meaning assigned to them in the Purchase Agreement.

WHEREAS, pursuant to the terms of the Purchase Agreement, the Company has agreed to convey, assign and transfer, and Micro has agreed to acquire certain of the Company's trademarks and service marks pursuant to the Purchase Agreement.

NOW THEREFORE, in consideration of the foregoing, and for other good and valuable consideration as set forth in the Purchase Agreement, the receipt of which is hereby acknowledged by the Company:

1. Transfer of Assigned Marks. The Company hereby conveys, transfers and assigns all of its rights, title and interest whatsoever throughout the world in and to the registered trademarks and service marks as set forth in *Exhibit A* and their common law equivalents (collectively, the "*Assigned Marks*"), together with all applications to register the Assigned Marks, and all registrations of the Assigned Marks as set forth in *Exhibit A*, and the goodwill of all business connected with the use of and symbolized by the Assigned Marks, to Micro in perpetuity (or for the longest period of time otherwise permitted by law). Included with such transfer and assignment is the right to sue for and obtain damages or other available remedies for all past, present and future infringements of the Assigned Marks. The Company further transfers and assigns the right to file for and obtain registrations of the Assigned Marks anywhere in the world for the goods and services for which the Assigned Marks are presently used, with the right to base priority on the Company's first date of use or on any application and/or registration being assigned herein. Micro shall have control over the Assigned Marks, including control over the nature and quality of the goods or services on or in connection with which the mark is used.

2. Further Assurances. The Company shall execute and deliver, from time to time after the date hereof upon the request of Micro, such further conveyance instruments, and take such further actions, as may be necessary or desirable to evidence more fully the transfer of ownership of the Assigned Marks to Micro.
