TRADEMARK ASSIGNMENT

THIS TRADEMARK ASSIGNMENT ("Assignment") is by and between TVH Group NV, a Belgian Naamloze Venootschap having an address at Brabantstraat 15, 8790 Waregem, Belgium (the "Assignee"), and I.M.C. Holdings, Inc., an Illinois Corporation having a mailing address of 95 South Route 83, Grayslake, IL 60030 (the "Assignor").

WHEREAS, Assignor is the owner of all right, title and interest in and to the trademarks and the corresponding registrations set forth on Exhibit 1 (collectively, the "Trademarks"), together with the goodwill of the business connected with and symbolized by the Trademarks; and

WHEREAS, Assignee desires to acquire all right, title and interest in and to the Trademarks.

NOW, THEREFORE, in consideration of the mutual covenants and agreements hereinafter contained and other good and valuable consideration, the receipt and adequacy of which are hereby acknowledged by each party hereto, it is understood and agreed between the parties herein as follows:

Assignor hereby sells, assigns, transfers and conveys to Assignee the entire right, title, interest in and to the Trademarks in the United States, together with the goodwill of the business connected with and symbolized by the Trademarks (including, without limitation, the right to renew any registrations included in the Trademarks and the right to apply for trademark registrations within the United States based in whole or in part upon the Trademarks), the same to be held and enjoyed by Assignee as fully and entirely as said interest could have been held and enjoyed by Assignor had this sale, assignment, transfer and conveyance not been made.

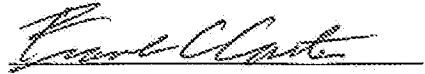

Assignor authorizes the Commissioner of Trademarks of the United States and other empowered officials of the United States Patent and Trademark Office to record the transfer of the registrations set forth on Exhibit 1 to Assignee as assignee of Assignor's entire right, title and interest therein. Assignor agrees to further execute any documents reasonably necessary to effect this assignment or to confirm Assignee's ownership of the Trademarks.

This Trademark Assignment Agreement may be executed by the parties hereto in separate counterparts, each of which when so executed and delivered shall be an original, but all such counterparts taken together shall constitute one and the same instrument. Each counterpart may be delivered by facsimile or electronic transmission,

which transmission shall be deemed delivery of an originally executed document. The unenforceability or invalidity of any article, section, subsection or provision of this Agreement shall not affect the enforceability or validity of the balance of this Agreement. This Agreement contains the entire agreement between the parties concerning the subject matter herein.

IN WITNESS WHEREOF, the parties hereto have caused this Trademark Assignment to be executed by an authorized representative as of the day and year set forth below.
