2. ASSIGNMENT

Pursuant to and for the consideration set out in the Main Agreement (receipt of which the Assignor expressly acknowledges), the Assignor hereby assigns to the Assignee absolutely with full title guarantee all its right, title and interest in and to the Trade Marks, including:

- (a) all statutory and common law rights attaching to the Trade Marks, together with the goodwill of the business relating to the goods or services in respect of which the Trade Marks are registered or used; and
- (b) the right to bring, make, oppose, defend, appeal proceedings, claims or actions and obtain relief (and to retain any damages recovered) in respect of any infringement, or any other cause of action (including passing off) arising from ownership, of any of the Trade Marks whether occurring before, on or after the date of this Agreement.

3. VAT

All payments made by the Assignee under this Agreement are exclusive of VAT. If any such payment constitutes the whole or any part of the consideration for a taxable or deemed taxable supply by the Assignor, the Assignee shall increase that payment by an amount equal to the VAT which is chargeable in respect of the taxable or

deemed taxable supply provided that the Assignor shall have delivered a valid VAT invoice in respect of such VAT to the Assignee.

4. WARRANTIES

4.1 The Assignor represents and warrants that:

- (a) it is the sole legal and beneficial owner of, and owns all the rights and interests in, the Trade Marks;
- (b) it is properly registered as the registered proprietor of the Trade Marks;
- (c) all registration, renewal and other fees in respect of each of the Trade Marks have been paid and no further fees are due within six months after the date of this Agreement;
- (d) it has not given any third party permission to use any Trade Mark or otherwise licensed or assigned any of the rights under the Trade Marks;
- (e) each Trade Mark is free from any security interest, option, mortgage, charge or lien;
- (f) it has not acquiesced in the unauthorised use of any Trade Mark;
- (g) each registered Trade Mark is valid and subsisting and is not subject to, or likely to be subject to, amendment, challenge to validity, removal or surrender;
- (h) it is unaware of any infringement or likely infringement of any Trade Mark;
- (i) no claim has been made by a third party that disputes the right of the Assignor to use any Trade Mark, and it is unaware of any circumstances likely to give rise to a claim; and
- (j) so far as it is aware, exploitation of the Trade Marks will not infringe the rights of any third party.

4.2 The Assignor shall indemnify and hold the Assignee harmless against all and any loss, damages, liability and costs (including reasonable legal expenses) that the Assignee suffers or incurs as a result of or in connection with any breach by the Assignor of the warranties in clause 4.1. At the request of the Assignee and at the Assignor's own expense, it shall provide all reasonable assistance to enable the Assignee to resist any claim, action or proceedings brought against the Assignee as a consequence of that breach.

4.3 If a payment due from the Assignor under this clause is subject to tax (whether by way of direct assessment or withholding at its source), the Assignee shall be entitled to receive from the Assignor such amounts as shall ensure that the net receipt, after tax, to the Assignee in respect of the payment is the same as it would have been were the payment not subject to tax.

5. FURTHER ASSURANCE

- 5.1 The Assignor shall, at its own cost, perform (or procure the performance of) all further acts and things, and execute and deliver (or procure the execution or delivery of) all further documents, required by law or which the Assignee requests to vest in the Assignee the full benefit of the right, title and interest assigned to the Assignee under this Agreement, including registration of the Assignee as registered proprietor of the Trade Marks.
- 5.2 The Assignor shall do the following at the Assignee's cost and direction, pending formal registration or recordal of the assignment of the Trade Marks to the Assignee:
- (a) if legally required to do so, pay all applicable renewal and other fees as they fall due;
 - (b) if legally required to do so, promptly satisfy all official actions issued by any relevant trade mark registry or authority;
 - (c) provide the Assignee with all information and other assistance required to enable the Assignee to prepare, file or prosecute applications for registration of any of the Trade Marks (including producing, in the appropriate form, any evidence of its use of the Trade Marks);
 - (d) ensure that copies of all correspondence that it, or its agents, receive (including any renewal advice or other notification received from any relevant registry) are promptly delivered to the Assignee, marked for the attention of Susie Kinley or any other person that the Assignee notifies to the Assignor from time to time; and
 - (e) provide the Assignee with all information and other assistance required by the Assignee to conduct, defend or settle any relevant claims, actions or proceedings (including, if requested by the Assignee, bringing proceedings in its own name or lending its name to any proceedings brought by the Assignee).
- 5.3 The Assignor shall deliver to the Assignee (or the Assignee's nominated representative) as soon as practicable after the date of this Agreement all deeds, documents of title, certificates and other files and records (including those of its agents) relating to the Trade Marks.
- 5.4 The Assignor irrevocably appoints the Assignee to be its attorney in his name and on its behalf to execute documents, use the Assignor's name and do all things which are necessary or desirable for the Assignee to obtain for itself or its nominee the full benefit of this clause. A certificate in writing, signed by any director or the secretary of the Assignor or by any person appointed in accordance with clause 5.5(c), that any instrument or act falls within the authority conferred by this Agreement shall be conclusive evidence that such is the case so far as any third party is concerned. This

power of attorney is irrevocable as long as any of the Assignor's obligations under this Agreement remain undischarged.

5.5 Without prejudice to clause 5.4, the attorney may, in any way it thinks fit and in the name and on behalf of the Assignor:

- (a) take any action that this Agreement requires the Assignor to take;
- (b) exercise any rights which this Agreement gives to the Assignor; and
- (c) appoint and remove one or more substitute attorneys with full power as the Assignor's attorney on terms that the attorney thinks fit.

5.6 The Assignor must ratify and confirm everything that the attorney and any substitute attorney does or arranges using the powers granted under this clause.

6. MISCELLANEOUS MATTERS

6.1 No failure or delay by a party to exercise any right or remedy provided under this Agreement or by law shall constitute a waiver of that or any other right or remedy, nor shall it preclude or restrict the further exercise of that or any other right or remedy. No single or partial exercise of such right or remedy shall preclude or restrict the further exercise of that or any other right or remedy.

6.2 This Agreement constitutes the whole agreement between the parties and supersedes all previous agreements between the parties relating to its subject matter.

6.3 Each party acknowledges that, in entering into this Agreement, it has not relied on, and shall have no right or remedy in respect of, any statement, representation, assurance or warranty (whether made negligently or innocently) other than as expressly set out in this Agreement.

6.4 Nothing in this Agreement shall have the effect of excluding or limiting any liability for death or personal injury caused by negligence or for fraud.

6.5 No variation of this Agreement shall be effective unless it is in writing and signed by the parties (or their authorised representatives).

6.6 If any court or competent authority finds that any provision of this Agreement (or part of any provision) is invalid, illegal or unenforceable, that provision or part-provision shall, to the extent required, be deemed to be deleted, and the validity and enforceability of the other provisions of this Agreement shall not be affected.

- 6.7 If any invalid, unenforceable or illegal provision of this Agreement would be valid, enforceable and legal if some part of it were deleted, the provision shall apply with the minimum modification necessary to make it legal, valid and enforceable.
- 6.8 This Agreement may be executed in any number of counterparts, each of which when executed and delivered shall constitute an original of this Agreement , but all the counterparts shall together constitute the same agreement. No counterpart shall be effective until each party has executed at least one counterpart.
- 6.9 No person other than a party to this Agreement shall have any rights to enforce any term of this Agreement.
- 6.10 Any notice or other communication required to be given under this Agreement shall be in writing and shall be delivered personally, or sent by pre-paid first-class post or recorded delivery or by commercial courier, to each party required to receive the notice or communication as set out at the start of this Agreement or as otherwise specified by the relevant party by notice in writing to each other party.

7. GOVERNING LAW AND JURISDICTION

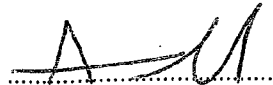

- 7.1 This Agreement and any dispute or claim arising out of or in connection with it or its subject matter or formation (including non-contractual disputes or claims) shall be governed by and construed in accordance with the law of Northern Ireland.
- 7.2 The parties irrevocably agree that the courts of Northern Ireland shall have non-exclusive jurisdiction to settle any dispute or claim that arises out of or in connection with this Agreement or its subject matter or formation (including non-contractual disputes or claims).
