TRADEMARK ASSIGNMENT

THIS TRADEMARK ASSIGNMENT ("Assignment") is by and between David En and Lee Shanyao, individuals residing at 2223 Key Ave South El Monte, CA 91734 (the "Assignors"), and the U.S. Marine Corps, a component of the U.S. Department of the Navy, located at Room 4B548 Pentagon, Washington, DC 20350 (the "Assignee").

WHEREAS, Assignors are the owner of all right, title and interest in and to the following trademark MARINE®, and the corresponding registration (U.S. Registration No. 3,808,260, collectively, the "Trademark"), together with the goodwill of the business connected with and symbolized by the Trademark; and

WHEREAS, Assignee desires to acquire all right, title and interest in and to the Trademarks.

NOW, THEREFORE, for good and valuable consideration, the receipt and adequacy of which are acknowledged, the parties hereby agree as set forth below.

Assignors hereby sell, assign, transfer and convey to Assignee the entire right, title, interest in and to the Trademark in the United States and all jurisdictions outside the United States, together with the goodwill of the business connected with and symbolized by the Trademark (including, without limitation, the right to renew any registrations included in the Trademark, the right to apply for trademark registrations within or outside the United States based in whole or in part upon the Trademark, and any priority right that may arise from the Trademark), the same to be held and enjoyed by Assignee as fully and entirely as said interest could have been held and enjoyed by Assignors had this sale, assignment, transfer and conveyance not been made.

Assignors authorize the Commissioner of Trademarks of the United States and other empowered officials of the United States Patent and Trademark Office and in any applicable jurisdictions outside the United States to record the transfer of the registration referenced above to Assignee as assignee of Assignors' entire right, title and interest therein. Assignors agree to further execute any documents reasonably necessary to effect this assignment or to confirm Assignees' ownership of the Trademark.

This Trademark Assignment Agreement may be executed by the parties hereto in separate counterparts, each of which when so executed and delivered shall be an original, but all such counterparts taken together shall constitute one and the same instrument. Each counterpart may be delivered by facsimile transmission, which transmission shall be deemed delivery of an originally executed document.

IN WITNESS WHEREOF, the parties hereto have executed this Trademark Assignment Agreement as of the date first above written.
