**ASSIGNMENT AND ASSUMPTION AGREEMENT – IP SECURITY INTEREST –
TERM NOTE**

This Assignment and Assumption Agreement (this “Agreement”) is made and entered into as of January 28, 2013 (“Effective Date”), between **FIFTH THIRD BANK**, an Ohio banking corporation (“Assignor”), located at 222 S. Riverside Plaza, 30th Floor, Chicago, Illinois 60606, and **MILLENNIUM TRUST COMPANY, LLC FBO FREDERICK ECK SEP IRA**, a custodian for self-directed IRAs and other types of self-directed accounts (“Assignee”), located at 2011 Palomar Airport Rd., Suite 203, Carlsbad, CA 92011.

Recitals:

A. Assignor and Braxton-Bragg LLC, a Delaware limited liability company (successor by merger to Braxton-Bragg Corporation, a Tennessee corporation), are parties to a certain Trademark Security Agreement dated as of February 3, 2011 (the “Trademark Security Agreement”) which has been recorded in the Trademark Office at Reel/Frame 4485/0630 against the trademarks listed in Schedule A (the “Trademarks”).

B. The Trademark Security Agreement grants a security interest in, among other collateral, the Trademarks as part of the transaction governed by certain Loan Documents as that term is defined in an Assignment and Assumption Agreement – Term Note between Assignor and Assignee dated as of even date hereof (the “Assignment and Assumption Agreement”).

C. Pursuant to the Assignment and Assumption Agreement, and as more particularly set forth therein, Assignee is purchasing from Assignor certain of Assignor’s rights and obligations under the Loan Documents, including Assignor’s rights and obligations in the security interest granted by the Trademark Security Agreement.

NOW, THEREFORE, in consideration of the foregoing, the covenants and agreements contained herein and other valuable consideration recited in the Assignment and Assumption Agreement, the receipt and sufficiency of which are hereby acknowledged, the parties, intending to be legally bound, mutually agree as follows:

1. As of the Effective Date, Assignor hereby assigns, transfers and sets over unto Assignee, its successors and assigns, jointly with BBH Investment LLC (“BBH”) as Assignee under the Assignment and Assumption Agreement – IP Security Interest – Revolving Note, between Assignor and BBH, of even date herewith, all of Assignor’s right, title and interest in, and obligations under, the Trademark Security Agreement and in the security interest granted in the Trademarks, together with all rights and privileges granted and secured thereby. Assignee hereby acknowledges and agrees that, except as set forth in Section 3 of the Assignment and Assumption Agreement, Assignee is purchasing Assignor’s rights and obligations in the security interest granted by the Trademark Security Agreement on an “AS-IS, WHERE-IS” BASIS, AND WITHOUT RECOURSE.

2. The Assignor hereby agrees to assist in the recordation of this Agreement in the appropriate patent, trademark or other government offices at Assignee’s expense.

3. This Agreement has been entered into in conjunction with the provisions of the Assignment and Assumption Agreement, the terms and provisions of which are incorporated herein by reference. This Agreement does not (i) convey any rights of Assignor other than those required to be transferred under the Assignment and Assumption Agreement; (ii) create any obligations for Assignor in addition to those provided under the Assignment and Assumption Agreement; or (iii) relieve Assignor of any obligations under the Assignment and Assumption Agreement. In the event that any provisions of this Agreement are in conflict with the Assignment and Assumption Agreement, the provisions of the Assignment and Assumption Agreement shall govern.

4. Capitalized terms not otherwise defined herein shall have the meanings ascribed to them in the Assignment and Assumption Agreement.

5. This Agreement will be binding upon and inure to the benefit of Assignor and Assignee and their respective successors and assigns. The parties' relationship is that of buyer and seller; the parties are not partners or joint venturers and neither party has any authority to represent, obligate or bind the other with respect to any third party.

6. If any of the provisions of this Agreement are held by any court of competent jurisdiction to contravene, or to be invalid under, the laws of any political body having jurisdiction over the subject matter hereto, such contravention or invalidity shall not invalidate the entire Agreement.

7. This Agreement will in all respects be governed by and construed in accordance with the laws of the State of Ohio. Assignor and Assignee hereby submit to the jurisdiction of any state or federal courts located in Hamilton County, Ohio with respect to any matters relating to this Agreement.

8. Except for the Assignment and Assumption Agreement, this Agreement constitutes the entire agreement of Assignor and Assignee and supersedes all other prior agreements and understandings, both written and oral, between Assignor and Assignee with respect to the subject matter hereof. This Agreement may only be amended in a writing signed by Assignor and Assignee.

9. This Agreement may be executed in any number of counterparts and by different parties on separate counterparts, each of which, when executed and delivered, shall be deemed to be an original, and all of which, when taken together, shall constitute but one and the same Agreement. Delivery of an executed counterpart of this Agreement by facsimile or electronic transmission (including by .pdf) shall be equally as effective as delivery of an original executed counterpart of this Agreement.

10. ASSIGNEE AND ASSIGNOR HEREBY WAIVE THE RIGHT TO A TRIAL BY JURY OF ANY MATTERS ARISING OUT OF THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement as of the date first written above.
