7. **Debtor's Rights To Enforce Intellectual Property.** Prior to the occurrence of an Event of Default, Debtor shall have the exclusive right to sue for past, present and future infringement of the Intellectual Property, including the right to seek injunctions and/or money damages in an effort by Debtor to protect the Intellectual Property against encroachment by third parties, provided, however, that:

(b) Any money damages awarded or received by the Debtor on account of such suit (or the threat of such suit) shall constitute IP Collateral.

(c) Upon the occurrence and during the continuance of any Event of Default, the Secured Party, by notice to the Debtor, may terminate or limit Debtor's rights under this Section 7.

8. **Secured Party's Actions To Protect Intellectual Property.** In the event of the occurrence and continuance of any Event of Default, the Secured Party, acting in its own name or in that of Debtor, may (but shall not be required to) act in Debtor's place and stead and/or in the Secured Party's own right in connection therewith.

9. **Rights Upon Default.** Upon the occurrence and during the continuance of an Event of Default, in addition to all other rights and remedies, the Secured Party may exercise all rights and remedies of a secured party under the Uniform Commercial Code as adopted in the State of Florida, with respect to the Intellectual Property, in addition to which the Secured Party may sell, license, assign, transfer, or otherwise dispose of the Intellectual Property, subject to those restrictions to which Debtor is subject under applicable law and by contract. Any Person may conclusively rely upon an affidavit of an officer of the Secured Party that an Event of Default has occurred and that the Secured Party is authorized to exercise such rights and remedies.

10. **Secured Party As Attorney-In-Fact.**

(a) Debtor hereby irrevocably makes, constitutes and appoints the Secured Party (and all officers, employees or agents designated by the Secured Party) as and for Debtor's true and lawful agent and attorney-in-fact, and in such capacity the Secured Party shall have the right, with power of substitution for Debtor and in Debtor's name or otherwise, for the use and benefit of the Secured Party:

(i) To supplement and amend from time to time **Exhibits A, B** and/or **C** of this Agreement to include any newly developed, applied for, registered, or acquired Intellectual Property of Debtor and any intent-to-use trademark applications for which a statement of use or an amendment to allege use has been filed and accepted by the PTO.

(ii) Following the occurrence and during the continuance of any Event of Default, to exercise any of the rights and powers referenced herein.

(iii) Following the occurrence and during the continuance of any Event of Default, to execute all such instruments, documents, and papers as the Secured Party reasonably determines to be necessary or desirable in connection with the exercise of such rights and remedies and to cause the sale, license, assignment, transfer, or other disposition of the Intellectual Property, subject to those restrictions to which Debtor is subject under applicable Law and by contract.

(b) The power of attorney granted herein, being coupled with an interest, shall be irrevocable until this Agreement is terminated as set forth below.

(c) The Secured Party shall not be obligated to do any of the acts or to exercise any of the powers authorized by **Section 10(a)**, but if the Secured Party elects to do any such act or to exercise any of such powers, it shall not be accountable for more than it actually receives as a result of such exercise of power, and shall not be responsible to Debtor for any act or omission to act, except where a court of competent jurisdiction determines by final and non-appealable judgment that the subject act or omission to act has resulted from the gross negligence or willful misconduct of the Secured Party.

11. **Secured Party's Rights.** Any use by the Secured Party of the Intellectual Property, as authorized hereunder in connection with the exercise of the Secured Party's rights and remedies under this Agreement, shall be coextensive with Debtor's rights thereunder and with respect thereto and without any liability for royalties or other related charges.

12. **Intent.** This Agreement is being executed and delivered by Debtor for the purpose of registering and confirming the grant of the security interest of the Secured Party in the IP Collateral with the PTO and the Copyright Office.

13. **Further Assurances.** Debtor agrees, to execute, acknowledge, deliver and cause to be duly filed all such further documents, financing statements, agreements and instruments and take all such further actions as the Secured Party may from time to time reasonably request to better assure, preserve, protect and perfect the security interest in the IP Collateral granted pursuant to this Agreement and the rights and remedies created hereby or the validity or priority of such security interest, including the payment of any fees and taxes required in connection with the execution and delivery of this Agreement, the granting of the security interest and the filing of any financing statements or other documents in connection herewith or therewith.

14. **Termination; Release of IP Collateral.** Except for those provisions which expressly survive the termination thereof, this Agreement and the security interest granted herein shall terminate when all obligations of Debtor under the Note have been paid in full in cash or otherwise satisfied, as more fully set forth in the Note, at which time the Secured Party shall execute and deliver to Debtor, at Debtor's expense, all UCC termination statements, releases and similar documents that Debtor shall reasonably request to evidence such termination; and the Secured Party hereby constitutes Debtor as its attorney-in-fact to execute and file all such writings for the foregoing purposes, all such acts of such attorney being hereby ratified and confirmed. Any execution and delivery of termination statements, releases or other documents pursuant to this Section 14 shall be without recourse to, or warranty by, the Secured Party.

15. **Governing Law; Resolution of Disputes.** This Agreement shall be governed in all respects by the laws of the State of Florida, excluding conflict of laws principles that would cause the application of laws of any other jurisdiction. All legal actions and other legal proceedings relating to this Agreement or the enforcement of any provision of this Agreement shall be brought or otherwise commenced only in any state or federal court located in the County of Hillsborough, Florida. The parties expressly and irrevocably consent and submit to the sole and exclusive jurisdiction of each state and federal court located in the County of Hillsborough, Florida (and each appellate court located in the State of Florida) in connection with any such legal proceeding, agree that each state and federal court located in the County of Hillsborough, Florida shall be deemed to be the sole and exclusive forum for any legal action or other legal proceeding relating to this Agreement and agree not to assert (by way of motion, as a defense or otherwise), in any such legal proceeding commenced in any state or federal court located in the County of Hillsborough, Florida, any claim that such party is not subject personally to the jurisdiction of such court, that such legal proceeding has been brought in an inconvenient forum,

that the venue of such proceeding is improper or that this Agreement may not be enforced in or by such court.

16. **Caption Headings.** Caption headings of the sections of this Agreement are for convenience purposes only and are not to be used to interpret or to define their provisions. In this Agreement, whenever the context so requires, the singular includes the plural and the plural also includes the singular.

17. **Assignment.** This Agreement may not be transferred or assigned by either party, in whole or in part, without the prior written consent of the other party.

18. **Severability.** The provisions of this Agreement are independent of and separable from each other, and no provision shall be affected or rendered invalid or unenforceable by virtue of the fact that for any reason any other or others of them may be invalid or unenforceable in whole or in part.

19. **No Waiver.** Neither the failure, nor any delay, on the part of either party to exercise any right, remedy, power or privilege under this Agreement shall operate as a waiver thereof, nor shall any single or partial exercise of any right, remedy, power or privilege preclude any other or further exercise of the same, or of any other right, remedy, power or privilege, nor shall any waiver of any right, remedy, power or privilege with respect to any occurrence be construed as a waiver of such right, remedy, power or privilege with respect to any other occurrence. No waiver shall be effective unless it is in writing and is signed by the party asserted to have granted such waiver.

20. **Notices.** All notices, requests, demands and other communications required or permitted under this Agreement shall be in writing and shall be deemed to have been duly given, made and received only when delivered (personally, by courier service such as Federal Express, or by other messenger) or when deposited in the United States mails, registered or certified mail, postage prepaid, return receipt requested, addressed as set forth below:
