**DECLARATION OF CATHERINE M. CLAYTON IN SUPPORT OF
NULLIFICATION OF INVALID ASSIGNMENT**

Catherine M. Clayton hereby declares under the penalties of perjury as follows:

1. I am a member of the bar of the State of New York and a Director of the firm of Gibbons P.C., attorneys of record for registrant Innospec Active Chemicals LLC ("IAC"), and in that capacity have personal knowledge of the facts set forth below.
2. This Declaration is submitted in support of IAC's request for correction of the assignment recorded with the USPTO at Rec'd/Filing No. 0511/0428 on March 30, 2007 (the "Invalid Assignment.")
3. The Invalid Assignment is not a valid assignment and does not accurately reflect the chain of title of the trademarks cited therein (the "Trademarks").
4. On March 22, 2007, the date of the Invalid Assignment, Fintex, Inc. no longer existed and was no longer the owner of the Trademarks. That is because Fintex, Inc. merged into Innospec Holdings Inc., a Georgia corporation, on December 31, 2006. On that same day, Innospec Holdings Inc. changed its name to Innospec Performance Chemicals U.S. Co. A copy of the corporate documents showing the merger and name change is annexed hereto as Exhibit.

A

5. By virtue of the merger and name change, IAC was the owner of the Trademarks and all goodwill associated therewith as of December 21, 2006.

6. In view of the foregoing, the Invalid Assignment could not have conveyed, and did not convey any ownership in or to the trademarks to any New Jersey corporation named "Innospec Performance Chemicals US Co."

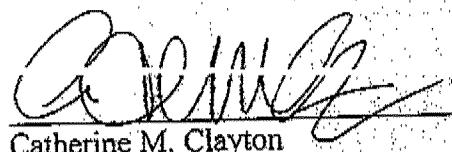

7. The Invalid Assignment should not have been entered or recorded with the USPTO because, at the time it was made, Fintex, Inc. no longer existed and no longer owned any rights in or to the Trademarks.

8. On September 26, 2007, Innospec Performance Chemicals U.S. Co. became IAC through a corporate conversion. The Certificate of Conversion is on record with the USPTO and has been recorded against the subject marks of U.S. Reg. Nos. 1,685,884 and 1,730,483, AMINOL and FINSOLVE.

9. On information and belief, IAC is the current owner of all right, title and interest in and to the subject marks of U.S. Reg. Nos. 1,685,884 and 1,730,483, AMINOL and FINSOLVE.

I declare under penalty of perjury that the foregoing is true and correct.
