ASSIGNMENT OF TRADEMARK

Assignor: PSquared Prohealth LLC, a Connecticut Limited Liability Company, with an office address of 329 Elm St. Suite 202B Monroe, CT 06468

Assignee: Psquared Consulting, Inc., a Connecticut Corporation with an office address of 329 Elm St. Suite 202B Monroe, CT 06468

This Assignment is made between the Assignor and Assignee indentified above.

WHEREAS, the Assignor is the owner of certain Intellectual Property, namely the three (3) trademarks more fully described in the annexed Exhibit A, and Assignee is desirous of obtaining the same;

NOW, THEREFORE, in consideration of Ten Dollars and other good and valuable consideration, the receipt of which is hereby acknowledged, Assignor does hereby sell, assign and transfer to Assignee all right, title and interest in and to the three (3) trademarks listed in Exhibit A annexed hereto and made a part hereof, and the goodwill of the business connected with the use of and symbolized thereby (referred to as the "Intellectual Property"), including the right to recover damages for past infringements, if any;

Assignor further covenants that it shall execute any and all documents, and take all other actions that may be necessary for securing, completing or vesting in Assignee all right, title and interest in the trademarks listed in Exhibit A herein;

Assignor further agrees to identify and communicate to Assignee, at Assignee's request, such documents and information concerning the Intellectual Property that are within the possession or control of Assignor, and to provide further assurances and testimony on behalf of Assignee that may be lawfully required of Assignee in respect to maintaining the rights in the intellectual Property, all without further consideration;

The Assignor hereby represents to the Assignee that the Assignor is the owner thereof of the three (3) trademarks annexed in Exhibit A, and said ownership is free and clear of any liens and/or encumbrances of any nature whatsoever, and that the Assignor has the full power and authority to execute and deliver this assignment to Assignee.
