EXHIBIT B

BILL OF SALE
CALIFORNIA COMMERCIAL CODE § 96101

Pursuant to § 9610 of the California Commercial Code, and in consideration of the sum of _____ the receipt of which is hereby acknowledged, Venture Lending & Leasing V, Inc. a Maryland corporation herein ("Seller") does hereby sell, transfer and deliver to Gamebase Co., Ltd., a Korean corporation (hereinafter "Purchaser"), all of the rights of Emergent Game Technologies, Inc. (hereinafter "Debtor") to certain of the assets of Debtor, which are more particularly described in Exhibit "A" attached hereto. Said assets shall hereinafter be referred to as the "Transferred Assets."

The sale transfers to Purchaser all of Debtor's right, title and interest in and to the Transferred Assets free and clear of any and all security interests of Seller and any security interest or lien subordinate thereto.

EXCEPT AS PROVIDED IN THAT CERTAIN FORECLOSURE SALE AGREEMENT AMONG SELLER AND PURCHASER DATED December 21, 2010 ("FS AGREEMENT"), AS BETWEEN SELLER AND PURCHASER, THE TRANSFERRED ASSETS ARE SOLD "AS IS," "WHERE IS," WITH NO EXPRESS OR IMPLIED REPRESENTATIONS AND WARRANTIES OF ANY KIND, NATURE OR TYPE WHATSOEVER FROM, OR ON BEHALF OF, SELLER.

Except as provided in the FS Agreement, Purchaser acknowledges that it has not relied upon any representations of Seller, except as may specifically be provided herein, and that it has examined the validity, quantity, quality and value of the Transferred Assets and has accepted the same without recourse to Seller and Seller disclaims any representation or warranty that particular property described on Exhibit A exists, in whole or in part, or is in a form usable to Purchaser.

As between Seller and Purchaser only, in addition to all the consideration paid hereunder, Purchaser shall be liable for all sales, use, excise, stamp, documentary, filing, recording, transfer or similar fees or taxes and shall hold Seller harmless from any cost relating thereto.

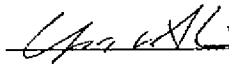

All aspects of this Bill of Sale, including construction, validity and performance of this Bill of Sale, shall be governed by, and construed and enforced in accordance with, the laws of the State of California. The Purchaser and Seller agree to submit to the exclusive jurisdiction of the state and Federal courts located in the County of Santa Clara, State of California.

EXHIBIT A

TRANSFERRED ASSETS

The Transferred Assets shall include but are not limited to the Company's Intellectual Property Rights. Intellectual Property Rights include the following and any and all rights and licenses associated with and/or relating to any of them: (i) any Patents (as defined below) and Patent applications; (ii) works of authorship, including Copyrights, Trademarks(as defined below) and service marks, whether registered or at common law, as well as all applications that are pending or that are in the process of preparations; (iii) know how and proprietary information, technology, technical data, proprietary processes and formulae, algorithms, specifications, SOPs, manuals, databases, customer lists and supplier lists (with prospects pipeline), including but not limited to trade secrets arising under common law, state law, federal law or the laws of any foreign countries; (iv) any other intellectual or proprietary rights relating to intangible property, whether or not protectable by patent, copyright, mask work right or trade secret; (v) divisional, continuations, continuations-in-part, renewals, refiles, re-examinations and extensions of the foregoing (as applicable), in the case of each item referred to above, with respect to any jurisdiction in the world (whether under judicial or statutory law or treaty or otherwise); (vi) Internet domain name registration, Internet and World Wide Web Domain Names, URLs(as defined below) or addresses, (vii) all computer software, including all Source Code (as defined below), object code, firmware development tools, files, records and data, emulation and simulation tools and reports, hardware development tools, and all rights in prototypes, all databases and data collection and all rights therein; (viii) sales, marketing and business development material including website content, and (x) all moral and economic rights of authors and inventors, however denominated and any similar or equivalent rights to any of the foregoing, and all tangible embodiments of the foregoing.

"Patents": All inventions, patent rights, industrial and utility models, industrial designs, petty patents, patents of importation, patents of addition, certificates of invention and other government issued or granted indicia of invention ownership including any reissue, extension, division, continuation or continuation-in-art applications throughout the world, including without limitation , the following patents.

United States Patent:

PAT. NO. Title12415193 Floodgate

"Source Code": The printed, sequenced list of computer instructions that (i) when compiled or interpreted by a computer using available compilers or interpreters, are sufficient to recreate such software; (ii) are readily comprehensible by a software engineer of ordinary skill and from which such person could readily modify, correct and update such software; and magnetic media containing the foregoing in a form suitable for compilation or interpretation by computer.

"Trademarks": All trademark and service mark rights arising under the common law, state law, federal law and laws of foreign countries and all rights, title and interest in all trademarks, service marks, trademark and service mark applications and registrations and trademark and service mark interests throughout the world, and all related goodwill, including without limitation, Emergent, Gamebryo and LightSpeed.

"URL": Uniform Resource Locator.
