## INTELLECTUAL PROPERTY SECURITY AGREEMENT

This Intellectual Property Security Agreement is entered into as of April 30, 2013, by and between COMERICA BANK ("Bank") and ANTENNA VAULTUS HOLDINGS, INC., a Delaware corporation ("Grantor").

### RECITALS

A. Bank has agreed to make certain advances of money and to extend certain financial accommodations to Grantor (the "Loans") to or for the benefit of ANTENNA SOFTWARE, INC., RPA ANTENNA, INC., ANTENNA DEXTERRA, INC. and ANTENNA VAULTUS, INC. (collectively as, the "Borrowers"), pursuant to a Second Amended and Restated Loan and Security Agreement dated as of March 30, 2012, as amended, modified, supplemented, extended or restated from time to time (collectively, the "Loan Agreement"). Grantor expects to derive economic benefit from Bank's doing so and dealing with Borrowers in accordance with the Loan Agreement, and has entered into that certain Amended and Restated Unconditional Guaranty dated as of March 30, 2012 (as amended from time to time, the "Guaranty") and that certain Amended and Restated Third Party Security Agreement dated as of March 30, 2012, as amended, granting Bank a security interest in all of Grantor's assets to secure the present and future obligations of Grantor to Bank (as amended from time to time, the "Security Agreement" or together with the Guaranty and this Agreement, the "Guaranty Documents"). Bank is willing to make and continue the Loans to Borrowers, but only upon the condition, among others, that Grantor shall grant to Bank a security interest in its Copyrights, Trademarks and Patents to secure the obligations of Grantor under the Guaranty Documents and otherwise (the "Guarantor Obligations"). All terms used without definition in this Agreement shall have the meaning assigned to them in the Loan Agreement.

B. Pursuant to the terms of the Guaranty Documents, Grantor has granted to Bank a security interest in all of Grantor's right, title and interest, whether presently existing or hereafter acquired, in, to and under all of the Collateral (as defined in the Guaranty Documents), including all of its Intellectual Property.

NOW, THEREFORE, for good and valuable consideration, receipt of which is hereby acknowledged, and intending to be legally bound, as collateral security for the prompt and complete payment when due of its obligations under the Guaranty Documents and all other agreements now existing or hereafter arising between Grantor and Bank, Grantor hereby represents, warrants, covenants and agrees as follows:

### AGREEMENT

To secure its obligations under the Guaranty Documents and under any other agreement now existing or hereafter arising between Grantor and Bank, Grantor grants and pledges to Bank a security interest in all of Grantor's right, title and interest in, to and under its Intellectual Property (including without limitation those Copyrights, Patents and Trademarks listed on Exhibits A, B and C hereto), and including without limitation all proceeds thereof (such as, by way of example but not by way of limitation, license royalties and proceeds of infringement suits), the right to sue for past, present and future infringements, all rights corresponding thereto throughout the world and all re-issues, divisions continuations, renewals, extensions and continuations-in-part thereof.

This security interest is granted in conjunction with the security interest granted to Bank under the other Guaranty Documents. The rights and remedies of Bank with respect to the security interest granted hereby are in addition to those set forth in the Loan Agreement, the other Loan Documents and the other Guaranty Documents, and those which are now or hereafter available to Bank as a matter of law or equity. Each right, power and remedy of Bank provided for herein or in the Loan Agreement, any of the Loan Documents or any of the Guaranty Documents, or now or hereafter existing at law or in equity shall be cumulative and concurrent and shall be in addition to every right, power or remedy provided for herein and the exercise by Bank of any one or more of the rights, powers or remedies provided for in this Intellectual Property Security Agreement, the Loan Agreement, any of the other Loan Documents or the Guaranty Documents, or now or hereafter existing at law or in equity, shall not preclude the simultaneous or later exercise by any person, including Bank, of any or all other rights, powers or remedies.

Grantor represents and warrants that Exhibits A, B, and C attached hereto set forth any and all intellectual property rights in connection to which Grantor has registered or filed an application with either the United States Patent and Trademark Office or the United States Copyright Office, as applicable.

This Agreement may be executed in two or more counterparts, each of which shall be deemed an original but all of which together shall constitute the same instrument.

IN WITNESS WHEREOF, the parties have caused this Intellectual Property Security Agreement to be duly executed by its officers thereunto duly authorized as of the first date written above.
