TRADEMARK SECURITY AGREEMENT

THIS TRADEMARK SECURITY AGREEMENT ("Agreement") is made this 1st day of August, 2013, by and between **Lacas Coffee Company LLC**, a Delaware limited liability company ("Debtor"), and **Sovereign Bank, N.A.** ("Secured Party").

WHEREAS, Debtor is the owner of the certain U.S. trademark registrations listed on the attached Schedule A;

WHEREAS, Secured Party has extended a loan in the amount of Two Million Eight Hundred Seventy-Nine Thousand Nine Hundred Ninety-Nine Dollars (\$2,879,999.00) to Debtor pursuant to the terms and conditions, among other things, of that certain Promissory Note dated the date hereof ("Note") made by Debtor in favor of Secured Party;

WHEREAS, Debtor and Secured Party have entered into that certain Security Agreement dated the date hereof (as the same may be amended, modified, supplemented, renewed, extended or restated from time to time, the "Security Agreement"; all terms defined in the Security Agreement, wherever used herein, shall have the same meanings herein as are prescribed by the Security Agreement).

WHEREAS, pursuant to the terms of the Security Agreement, Debtor has granted to Secured Party a lien and security interest in all General Intangibles of Debtor, including, without limitation, all of Debtor's right, title, and interest in, to and under all now owned and hereafter acquired Trademarks, together with the goodwill of the business symbolized by Debtor's Trademarks, and Trademark Licenses, and all products and Proceeds thereof, to secure the payment of the Debtor's Debt and Liabilities (as defined in the Note and Security Agreement).

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Debtor hereby grants to Secured Party a lien and continuing security interest in all of Debtor's right, title, and interest in, to, and under the following (all of the following items or types of Property being herein collectively referred to as the "Trademark Collateral") and the goodwill associated therewith, whether presently existing or hereafter created or acquired, as security for the prompt and complete performance when due of the Debtor's Obligations:

(1) each Trademark, trademark registration ("Trademark Registration") and trademark application ("Trademark Application"), including, without limitation, each Trademark, Trademark Registration and Trademark Application referred to in Schedule A annexed hereto, together with the goodwill of the business symbolized thereby; and

(2) each Trademark License, including, without limitation, each Trademark License listed in Schedule A annexed hereto; and

(3) all products and proceeds of the foregoing, including, without limitation, any claim by Debtor against third parties for past, present or future (a) infringement, dilution or breach of any Trademark, Trademark Registration,

Trademark Application and Trademark License, including, without limitation, any Trademark, Trademark Registration and Trademark License referred to in Schedule A annexed hereto, and any Trademark Registration issued pursuant to a Trademark Application referred to in Schedule A annexed hereto; or (b) injury to the goodwill associated with any Trademark, Trademark Registration or Trademark Application.

1. OTHER SECURITY INTERESTS. The lien and security interest contained in this Agreement is granted in conjunction with the liens and security interests granted to Secured Party pursuant to the Security Agreement. Debtor hereby acknowledges and affirms that the rights and remedies of Secured Party with respect to the liens and security interests in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event that any provisions of this Agreement are deemed to conflict with the Security Agreement, the provisions of the Security Agreement shall govern.

2. RESTRICTIONS ON FUTURE AGREEMENTS. Debtor agrees that until all Obligations shall have been satisfied in full and the Security Agreement shall have been terminated, Debtor will not, without the Secured Party's prior written consent, enter into any agreement including, without limitation, any license agreement, which is inconsistent with Debtor's obligations under this Agreement if such action would reasonably be expected to materially adversely affect the fair market value of the Trademark Collateral or the benefits of this Agreement to the Secured Party, and Debtor further agrees that it will not take any action, or permit any action to be taken by others subject to its control, including licensees, or fail to take any action, which would materially adversely affect the validity or enforcement of the rights transferred to the Secured Party under this Agreement.

3. NEW TRADEMARKS. Debtor represents and warrants to the Secured Party that the Trademarks listed and the Trademark Licenses listed on Schedule A constitute all of the Trademarks now owned by or licensed to Debtor for which registrations have been issued or applied for in the United States Patent and Trademark Office. If, before the Obligations have been satisfied in full and the Security Agreement terminated, Debtor shall (i) obtain rights to any new trademarks, trademark registrations or applications or tradenames used in the United States or in any foreign country or (ii) become entitled to the benefit of any trademark application, trademark, trademark registration or tradename used in the United States or in any foreign country, the provisions above shall automatically apply thereto and Debtor shall give to the Secured Party prompt written notice thereof. Debtor hereby authorizes the Secured to modify this Agreement upon such written notice by amending Schedule A to include any future trademarks, trademark registrations, trademark applications, tradenames and license agreements which are Trademarks, as applicable.
