GRANT OF SECURITY INTEREST  
IN UNITED STATES TRADEMARKS

**This Trademark Security Agreement**, dated as of September 17, 2013, by and between CHICOPEE, INC., a corporation formed under the laws of Delaware (the "Grantor"), in favor of WILMINGTON TRUST COMPANY, in its capacity as Collateral Agent under the Collateral Agency Agreement and the Security Agreement (each as defined below) (in such capacity, the "Grantee").

W I T N E S S E T H :

WHEREAS, the Grantor is party to a Security Agreement, dated as of January 28, 2011 (as amended, amended and restated, supplemented or otherwise modified from time to time, the "Security Agreement") and an Intercreditor and Collateral Agency Agreement, dated as of January 28, 2011 (as amended, amended and restated, supplemented or otherwise modified from time to time, the "Collateral Agency Agreement"), each in favor of the Grantee pursuant to which the Grantor is required to execute and deliver this Trademark Security Agreement;

NOW, THEREFORE, in consideration of the premises and to induce the Grantee, for the benefit of the Secured Parties, to enter into the Indenture, the Grantor hereby agrees with the Grantee as follows:

SECTION 1. Defined Terms. Unless otherwise defined herein, terms defined in the Security Agreement and used herein have the meaning given to them in the Security Agreement.

SECTION 2. Grant of Security Interest in Trademark Collateral. The Grantor hereby pledges and grants to the Grantee for the benefit of the Secured Parties a lien on and security interest in and to all of its right, title and interest in, to and under all the Trademarks of the Grantor including, without limitation, those items listed on Schedule I attached hereto and all Proceeds of any and all of the foregoing; provided that any United States Trademark, applications filed in the United States Patent and Trademark Office on the basis of any Grantor's "intent-to-use" such Trademarks will not be deemed to be Collateral unless and until a "Statement of Use" or "Amendment to Allege Use" has been filed and accepted in the United States Patent and Trademark Office, whereupon such application shall be automatically subject to the security interest granted herein and deemed to be included in the Collateral.

SECTION 3. Security Agreement. The security interest granted pursuant to this Trademark Security Agreement is granted in connection with the Security Agreement and is expressly subject to the terms and conditions thereof. Grantor hereby acknowledges and affirms that the rights and remedies of the Grantee with respect to the security interest in the Trademarks made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. The Security Agreement (and all rights and remedies of the Secured Parties thereunder) shall remain in full force and effect in accordance with its terms. In the event that any provision of this Trademark Security Agreement is deemed to conflict with the Security Agreement, the provisions of the Security Agreement shall control.

SECTION 4. Purpose. This Trademark Security Agreement has been executed and delivered by the Grantor for the purpose of recording the grant of security interest herein with the United States Patent and Trademark Office.

SECTION 5. Termination. Upon the payment in full of the Secured Obligations and termination of the Security Agreement, the Grantee shall, at the reasonable request of the Grantor, execute, acknowledge, and deliver to the Grantor an instrument in writing in recordable form, as prepared by and at the cost of the Grantor, releasing the collateral pledge, grant, lien and security interest in the Trademarks listed on Schedule I attached hereto.

SECTION 6. Counterparts. This Trademark Security Agreement may be executed in any number of counterparts, all of which shall constitute one and the same instrument, and any party hereto may execute this Trademark Security Agreement by signing and delivering one or more counterparts.

[signature page follows]

IN WITNESS WHEREOF, each Grantor has caused this Trademark Security Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.
