TRADEMARK SECURITY AGREEMENT

THIS TRADEMARK SECURITY AGREEMENT, dated as of September 27, 2013 (this "Security Agreement"), is made by PENNYSAVER USA PUBLISHING, LLC, a Delaware limited liability company ("PennySaver Publishing"), PENNYSAVER USA PRINTING, LLC, a Delaware limited liability company ("PennySaver Printing"), ORBITER PROPERTIES, LLC, a Delaware limited liability company ("Orbiter Properties"), PENNYSAVER INVESTORS, LLC, a Delaware limited liability company (the "Holding Company"), PENNYSAVER USA, LLC, a Delaware limited liability company (the "Intermediate Holding Company", and together with PennySaver Publishing, PennySaver Printing, Orbiter Properties and the Holding Company, collectively, the "Grantors", and each, a "Grantor"), in favor of CAPITAL ONE BUSINESS CREDIT CORP., a New York corporation ("COBC"), as agent (together with its successors and assigns in such capacity, the "Agent") for the Secured Parties (as defined in the Loan Agreement referred to below).

WHEREAS, the Grantors, the financial institutions from time to time party thereto and Agent have entered into that certain Loan and Security Agreement, dated as of September 27, 2013 (as amended, restated, supplemented, replaced, increased, refinanced or otherwise modified from time to time, the "Loan Agreement"); and

WHEREAS, the Loan Agreement requires each Grantor to execute and deliver this Security Agreement.

NOW, THEREFORE, in consideration of the premises and in order to ensure compliance with the Loan Agreement, each Grantor hereby agrees as follows:

SECTION 1. Defined Terms. Capitalized terms used herein without definition shall have the definitions given to them in the Loan Agreement.

SECTION 2. Grant of Security Interest in Trademark Collateral. As collateral security for the prompt and complete payment and performance when due (whether at stated maturity, by acceleration or otherwise) of the Obligations in accordance with the terms and conditions of the Loan Documents, each Grantor hereby mortgages, pledges, hypothecates and assigns to the Agent, for the benefit of the Secured Parties, and grants to the Agent, for the benefit of the Secured Parties, a Lien on and security interest in, all of such Grantor's right, title and interest in, to and under the following, in each case, whether now owned or hereafter acquired, and whether now existing or hereafter arising (the "Trademark Collateral"):

- (i) all Trademarks and all licenses providing for the grant by or to such Grantor of any right under any Trademark, in each case, including, without limitation, those referred to on Schedule I hereto;
- (ii) all renewals and extensions of the foregoing;
- (iii) all goodwill of the business connected with the use of, and symbolized by, each such Trademark; and

(iv) all income, royalties, proceeds and liabilities at any time due or payable or asserted under and with respect to any of the foregoing, including, without limitation, all rights to sue and recover at law or in equity for any past, present and future infringement, misappropriation, dilution, violation or other impairment thereof.

As used herein, "Trademarks" shall mean, collectively, with respect to any Person, all trademarks, service marks, slogans, logos, certification marks, trade dress, uniform resource locations (URL's), domain names, corporate names, trade names and other source or business identifiers, whether registered or unregistered, owned by or assigned to such Person and all registrations and applications for the foregoing (whether by statutory or common law, whether established or registered in the United States, any State thereof, or any other country or any political subdivision thereof and, in each case, whether owned by or licensed to such Person), and all goodwill associated therewith, now existing or hereafter adopted or acquired, together with any and all (i) rights and privileges arising under applicable law with respect to such Person's use of any trademarks, (ii) reissues, continuations, extensions and renewals thereof and amendments thereto, and rights to obtain any of the foregoing, and (iii) rights corresponding thereto throughout the world, in each case, now existing or hereafter adopted or acquired; provided that in each case, "Trademarks" shall not include "intent-to-use" trademark applications filed in the United States Trademark Office unless and until acceptable evidence of use of the trademark has been filed with the United States Patent and Trademark Office pursuant to Section 1(c) or Section 1(d) of the Lanham Act (15 U.S.C. 1051, et seq.), whereupon such trademark application will be deemed automatically included in the "Trademarks", to the extent that granting the Security Interest in such trademark application prior to such filing would adversely affect the enforceability or validity of such Trademark application.

SECTION 3. Loan Agreement. The assignment made, and security interest granted, pursuant to this Security Agreement is made and granted in conjunction with the assignment made, and security interest granted, to the Agent pursuant to the Loan Agreement, and each Grantor hereby acknowledges and agrees that the rights and remedies of the Agent with respect to the assignment of and security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Loan Agreement, the terms and provisions of which are hereby incorporated by reference herein as if fully set forth herein.

SECTION 4. Each Grantor Remains Liable. Each Grantor hereby agrees that, anything herein to the contrary notwithstanding, such Grantor remains liable for all duties and obligations arising under or with respect to the Trademark Collateral, and, subject to the exercise of any right or remedy by the Agent or any other Secured Party, each Grantor further agrees that such Grantor shall have full and complete responsibility for any prosecution, defense or enforcement of, or any other action reasonably necessary in connection with, the rights of such Grantor with respect to all Trademark Collateral.

SECTION 5. Counterparts; Telecopied Signatures. This Security Agreement and any waiver or amendment hereto may be executed by the parties hereto in separate counterparts, each of which when so executed and delivered shall be an original, but all of which shall together constitute one and the same agreement. This Security Agreement may be executed and delivered by telecopier or other facsimile or electronic transmission all with the same force and effect as if the same was a fully executed and delivered original manual counterpart.

SECTION 6. Governing Law. SECTION 7. Miscellaneous. This Security Agreement shall be binding upon the successors and assigns of each Grantor and shall inure to the benefit of the Agent and the other Secured Parties, the future holders of the Loans, and their respective successors and assigns. The Agent may, in accordance with the terms and conditions of the Loan Agreement, assign or otherwise transfer all or any portion of its rights and obligations under this Security Agreement to any successor agent, and such successor agent shall thereupon become vested with all the benefits in respect hereof granted to the Agent herein or otherwise, in each case as provided in the Loan Agreement. No Grantor may assign or transfer any rights or obligations hereunder without the prior written consent of the Agent. No amendment of any provision of this Security Agreement shall in any even be effective unless the same shall be in writing and signed by each Grantor and the Agent. No waiver of any provision of this Security Agreement, or consent to any departure by any Grantor therefrom, shall in any even be effective unless the same shall be in writing and signed by the Agent.
