INTELLECTUAL PROPERTY AND TECHNOLOGY ASSIGNMENT

This is an Assignment, having an effective date of October 16, 2013, by and among:

Leader Holdings, Inc., a corporation organized and existing under the laws of State of Delaware, U.S.A., (hereinafter "Holdings");

Leader Gasket, Inc. t/d/b/a Leader Global Technologies, a corporation organized and existing under the laws of State of Louisiana, U.S.A., (hereinafter "Gasket") (Holdings and Gasket may sometimes collectively be referred to as "Assignors"); and

Leader Acquisition Company, a corporation organized and existing under the laws of the State of Delaware, U.S.A. (hereafter "Assignee").

RECITALS

A. Holdings owns certain technology and intellectual property, including, but not limited to, Letters Patent and a registered trademark, identified on Schedule A hereto.

B. Gasket owns a certain technology and intellectual property as well as a certain web domain, identified on Schedule B.

C. Assignors own certain trademark rights, identified on Schedule C, hereto (collectively, Schedules A, B and C constitute the "Intellectual Property").

D. Assignee is desirous of acquiring all right, title and interest in and to the Intellectual Property.

TERMS AND CONSIDERATION

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged:

1. Holdings has sold, assigned, transferred and set over, and does hereby sell, assign, transfer and set over to Assignee the Intellectual Property identified in Schedules A and C and all intellectual property rights associated therewith, including, but not limited to, all works of authorship, text, graphics, drawings, plans, computer code and mask works, whether copyrightable or not; all trade secrets, confidential information, technical and non-technical know-how utilized in conjunction with the Intellectual Property of Holdings as set forth in Schedules A and C together with any patent applications including the same for the United States and all foreign countries and any Letters Patent that may issue therefor in the United States and any foreign countries, together with all divisions, reissues, continuations, renewals, and extensions thereof including all priority rights under the International Convention associated therewith, together with any trademarks, service marks, registrations therefor and goodwill associated therewith.

2. Gasket has sold, assigned, transferred and set over, and does hereby sell, assign, transfer and set over to Assignee the Intellectual Property identified in Schedules B and C and all intellectual property rights associated therewith, including, but not limited to, all other intellectual property rights, including, but not limited to, all works of authorship, text, graphics, drawings, plans, computer code and mask works, whether copyrightable or not; all trade secrets, confidential information, technical and non-technical know-how, trademarks, service marks, registrations therefor and goodwill associated therewith utilized in conjunction with the Intellectual Property of Gasket.

3. The same Intellectual Property to be held and enjoyed by Assignee for its own use and enjoyment, and for the use and enjoyment of its successors, assigns and other legal representatives, as fully and entirely

as the same Intellectual Property would have been held and enjoyed by Assignor if this assignment and sale had not been made, for the use and benefit of its successors, assigns or other legal representatives.

4. Assignors agree that they, and their legal representatives or other persons duly authorized, will communicate to Assignee or the representatives thereof any facts known to it respecting said Intellectual Property set forth in Schedule A, B and C, and will, upon request, and at Assignee's sole cost and expense, testify in any legal proceedings, sign all lawful papers, make all rightful oaths, and generally do all other and further lawful acts, deemed necessary or expedient by Assignee or by counsel for Assignee, to assist or enable Assignee to obtain and enforce full benefits from the rights and interests herein assigned. This assignment shall be binding upon Assignors' successors and assigns, and shall inure to the benefit of the successors and/or assigns of Assignee.

5. Assignors represent that with respect to its property identified in Schedule A, B and C, they have sole, exclusive, valid and unencumbered title to the Intellectual Property in Schedule A, B and C, and will convey title that is clear of any liens, mortgages, security interests, licenses or other agreements or encumbrances thereon or thereto. Assignors further agree to waive all rights and privileges to attack the utility, novelty or validity of any or all of any patents included in or which issue from said Intellectual Property or the validity of any copyrights, trademarks, or any other intellectual property rights associated with the Intellectual Property which Assignors have assigned as against anyone claiming a right under any or all of the aforementioned rights under Assignors' assignment or grant.

6. This Agreement may be executed in any number of counterparts, each of which shall be deemed an original, but all of which together shall constitute one instrument.
