Trademark Assignment

WHEREAS Hot Spot Group Limited, a British Virgin Islands limited company (hereafter called "**Hot Spot**"); Split, Inc., a California corporation (hereafter called "**Split**"); R & S Holding a/k/a R & S Holdings Limited, a British Virgin Islands limited company (hereafter called "**R & S**"); Sun Gloss Ltd., a British Virgin Islands limited company (hereafter called "**Sun Gloss**") and Split, a California limited partnership (hereafter called "**Split LP**" and together with Hot Spot, Split, R & S and Sun Gloss, collectively "**Assignor**"), with an address of Offshore Incorporations Centre, Road Town, Tortola, British Virgin Islands, have each used some of the trademarks, trade names, services marks and logos identified on Exhibit A, attached hereto and incorporated by this reference, and each own some of said listed trademark applications/registrations and the common law rights in and to the corresponding trademarks therefore, all collectively referred to herein as the "**Trademarks**".

WHEREAS, Assignor wishes to transfer all of its rights, title and interest in and relating to the Trademarks to Split IP LLC, a Texas limited liability company having offices at 6300 West Loop South, Ste. 100, Bellaire, TX 77401 (hereafter called "**Assignee**"), and Assignee wishes to receive such transfer;

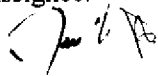

WHEREAS contemporaneously with execution of this Trademark Assignment, Assignor and Assignee are executing a Trademark Security Agreement wherein Assignee, in its capacity as owner of the Trademarks, will grant Assignor a security interest in and to the Trademarks under the terms of that Agreement, which security interest may be recorded in relevant trademark offices; and

NOW, THEREFORE, for good and valuable consideration (including consideration as may be provided in the Asset Purchase Agreement between Assignor and Assignee and the terms of the Trademark Security Agreement), the receipt and sufficiency of which are hereby acknowledged by Assignor, it is hereby agreed:

1. Assignor hereby forever sells, assigns and transfers unto Assignee, its successors and assigns, Assignor's entire worldwide, perpetual right, title and interest in and to the Trademarks, including said applications and registrations, the common law rights therein and all renewal rights therein, together with the goodwill of the business in connection with which the Trademarks are and have been used and which is symbolized by the Trademarks, along with the right to recover for damages and profits for past and future infringements thereof, and to obtain further registrations therefor in the United States and throughout the world in the name of Assignee, its successors or assigns.
2. Assignor understands and agrees that all prior use of the Trademarks by Assignor, its agents and any predecessors-in-interest thereto, along with all goodwill resulting therefrom, will inure to the benefit of Assignee.
3. Assignor warrants that it owns said applications and registrations for the Trademarks, has the right and power to enter into this Trademark Assignment, is aware of no other party claiming any ownership or use rights in any of the Trademarks, knows of no other arrangement, agreement or information inconsistent with or in conflict with this Trademark Assignment and agrees not to participate in any of the same in the future.
4. Notwithstanding anything herein to the contrary, the parties acknowledge and agree that among the Trademarks are those registrations and applications identified

on Exhibit A as the "**Limited Trademarks**". Assignor makes no representations as to ownership of the Limited Trademarks, but Assignor hereby forever sells, assigns and transfers unto Assignee, its successors and assigns, whatever right, title and interest Assignor has in and to the Limited Trademarks, including the goodwill thereof.

5. Assignor further covenants that it or its representative, including the respective signatories to this Trademark Assignment, will, upon request, but without expense to it, do all other lawful acts reasonably necessary to enable Assignee or its assigns to effect the transfer of the Trademarks as set forth herein, including providing and/or executing further papers, instruments, and assignments, as deemed necessary by Assignee.
6. Assignee acknowledges that, pursuant to a Trademark Security Agreement between Assignor and Assignee, the Trademarks are subject to Assignor's security interest.
7. This Trademark Assignment and its provisions shall be binding on the successors and assigns of Assignor and shall inure to the benefit of the successors and assigns of Assignee.
