Second Lien Trademark Security Agreement

Second Lien Trademark Security Agreement, dated as of February 7, 2014, (this “Trademark Security Agreement”), by ADVANTAGE SALES & MARKETING LLC, a California limited liability company (“ASM”) and ADVANTAGE WAYPOINT LLC, a Delaware limited liability company (“AWP”) (ASM and AWP individually, a “Pledgor”, and, collectively, the “Pledgors”), in favor of CREDIT SUISSE AG, CAYMAN ISLANDS BRANCH in its capacity as collateral agent pursuant to the Credit Agreement (in such capacity, the “Collateral Agent”).

WITNESSETH:

WHEREAS, ASM is party to a Second Lien Security Agreement dated as of December 17, 2010 (as amended, amended and restated, supplemented or otherwise modified from time to time, the “Security Agreement”) in favor of the Collateral Agent;

WHEREAS, AWP is a party to the Security Agreement pursuant to a Joinder Agreement dated as of January 9, 2014 between AWP and the Collateral Agent (the “Joinder Agreement”);

WHEREAS, pursuant to Section 6.3 of the Security Agreement, ASM is required to execute and deliver this Trademark Security Agreement in respect of certain Intellectual Property Collateral acquired after the date of the Security Agreement;

WHEREAS, pursuant to the Joinder Agreement, AWP is required to execute and deliver this Trademark Security Agreement in respect of certain Intellectual Property Collateral;

NOW, THEREFORE, in consideration of the premises and for other good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, the Pledgors hereby agree with the Collateral Agent as follows:

SECTION 1. Defined Terms. Unless otherwise defined herein, terms defined in the Security Agreement and used herein have the meaning given to them in the Security Agreement.

SECTION 2. Grant of Security Interest in Trademark Collateral. As collateral security for the payment and performance in full of the Secured Obligations, each Pledgor hereby pledges and grants to the Collateral Agent for the benefit of the Secured Parties, a lien and mortgage on and security interest in all of the right, title and interest of such Pledgor in, to and under the following property, wherever located, and whether now existing or hereafter arising or acquired from time to time (the “Trademark Collateral”):

(a) all trademarks (including service marks), slogans, logos, certification marks, trade dress, uniform resource locations (URL's), domain names, corporate names and trade names, whether registered or unregistered, owned by or assigned to such Pledgor and all registrations and applications for the foregoing (whether statutory or common law and whether established or registered in the United States or any other country or any political subdivision thereof), including but not limited to those listed on Schedule 1 attached hereto, and all goodwill of such Pledgor's business connected with the use of and/or symbolized by any of the foregoing, together with any and all (i) rights and privileges arising under applicable law with respect to such Pledgor's use of any trademarks, (ii) reissues, continuations, extensions and renewals thereof and amendments thereto, (iii) income, fees, royalties, damages and payments now and hereafter due and/or payable thereunder and with respect thereto, including damages, claims and payments for past, present or future infringements thereof, (iv) rights corresponding thereto throughout the world and (v) rights to sue for past, present and future infringements thereof; and

(b) to the extent not covered by clause (a) of this sentence, all Proceeds and products of each of the foregoing and all accessions to, substitutions and replacements for, and rents, profits and products of, each of the foregoing, any and all Proceeds of any insurance, indemnity, warranty or guaranty payable to such Pledgor from time to time with respect to any of the foregoing.

Notwithstanding anything to the contrary contained in clauses (a) and (b) above, the security interest created by this Agreement shall not extend to, and the term "Trademark Collateral" shall not include, any Excluded Property. For purposes of this Trademark Security Agreement, Excluded Property includes, but is not limited to, any application for registration of a Trademark which was filed in the United States Patent and Trademark Office on the basis of a Pledgor's intent to use such Trademark unless and until a Statement of Use pursuant to 15 USC 1051(d) or an Amendment to Allege use pursuant to 15 USC 1051(c) has been filed, but only to the extent that, and solely during the period in which, a grant of security interest therein would impair the validity or enforceability of such application (or any Trademarks issuing therefrom) under applicable federal law.

SECTION 3. Security Agreement. The security interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interest granted to the Collateral Agent pursuant to the Security Agreement, and Pledgors hereby acknowledge and affirm that the rights and remedies of the Collateral Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event that any provision of this Trademark Security Agreement is deemed to conflict with the Security Agreement, the provisions of the Security Agreement shall control unless the Collateral Agent shall otherwise reasonably determine with the consent of the Pledgor, which consent shall not be unreasonably delayed or withheld.

SECTION 4. Termination/Release. As and when the Lien arising under the Security Agreement with respect to any Trademark Collateral is terminated or released in

accordance with Section 11.4 of the Security Agreement, the Collateral Agent shall execute, acknowledge, and deliver to the Pledgors an instrument in writing in recordable form releasing the collateral pledge, grant, assignment, lien and security interest in such Trademark Collateral under this Trademark Security Agreement.

SECTION 5. Counterparts. This Trademark Security Agreement may be executed in any number of counterparts, all of which shall constitute one and the same instrument, and any party hereto may execute this Trademark Security Agreement by signing and delivering one or more counterparts.

SECTION 6. Governing Law. This Trademark Security Agreement shall be construed in accordance with and governed by the law of the State of New York, without regard to conflicts of law principles that would require the application of the laws of another jurisdiction.
