TRADEMARK SECURITY AGREEMENT

This Trademark Security Agreement dated as of February 25, 2014 (this "Trademark Security Agreement"), by and among Crimson Corporation (the "Pledgor"), in favor of Jefferies Finance LLC, in its capacity as Administrative Agent for the Secured Parties (in such capacity, together with any successor thereof, the "Administrative Agent") pursuant to that certain Credit Agreement, dated as of August 9, 2013, as amended and restated by that certain Amended and Restated First Lien Credit Agreement, dated as of February 25, 2014 (as so amended and restated and as hereafter amended, restated, amended and restated, supplemented or otherwise modified from time to time, the "Credit Agreement"), by and among Landslide Holdings, Inc., a Delaware corporation ("Borrower"), LANDesk Group, Inc., a Delaware corporation ("Holdings"), the lenders from time to time party thereto, the Administrative Agent, and Jefferies Finance LLC, as swingline lender and issuing bank.

W I T N E S S E T H:

WHEREAS, Pledgor is a party to that certain Guaranty and Collateral Agreement dated as of August 9, 2013 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the "Collateral Agreement") in favor of the Administrative Agent pursuant to which the Pledgor is required to execute and deliver this Trademark Security Agreement.

NOW, THEREFORE, in consideration of the premises and to induce the Administrative Agent, for the ratable benefit of the Secured Parties, to enter into the Credit Agreement, the Pledgor hereby agrees with the Administrative Agent as follows:

SECTION 1. Defined Terms. Unless otherwise defined herein, terms defined in the Collateral Agreement and used herein have the meaning given to them in the Collateral Agreement.

SECTION 2. Grant of Security Interest in Trademark Collateral. The Pledgor hereby pledges and grants to the Administrative Agent for the ratable benefit of the Secured Parties a Lien on and security interest in and to all of its right, title and interest in, to and under all the following Pledged Collateral of such Pledgor, in each case excluding Excluded Property, whether now existing or hereafter arising or acquired from time to time (collectively, the "Trademark Collateral"): all trademarks (including service marks), slogans, logos, certification marks, trade dress, uniform resource locations (URLs), domain names, corporate names, trade names, or other indicia of source, whether registered or unregistered, all registrations and applications for the foregoing (whether statutory or common law and whether registered or applied for in the United States or any other country, multi-national registry or any political subdivision thereof), together with any and all (i) rights and privileges arising under Applicable Law with respect to the use of any of the foregoing, (ii) all goodwill associated therewith, (iii) extensions and renewals thereof and amendments thereto, (iv) proceeds, income, fees, royalties, damages and payments now and hereafter due and/or payable thereunder and with respect thereto, including damages, claims and payments for past, present or future infringements, dilutions or other violations thereof, (v) rights corresponding thereto throughout the world and (vi) rights to sue for past, present and future infringements, dilutions or other violations thereof, including the United States trademark registrations and applications for registration, listed on Schedule 1 attached hereto.

Notwithstanding the foregoing, the Trademark Collateral shall not include any intent-to-use trademark application to the extent, and for so long as, creation by such Pledgor of a security interest therein would result in loss by such Pledgor of any rights therein, or in any registration issuing therefrom, unless and until a Statement of Use or an Amendment to Allege Use has been filed with the United States Patent and Trademark Office with respect to such intent-to-use trademark application.

SECTION 3. Security Agreement. The security interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interest granted to the Administrative Agent pursuant to the Collateral Agreement, and the Pledgor hereby acknowledges and affirms that the rights and remedies of the Administrative Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Collateral Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event that any provision of this Trademark Security Agreement is deemed to conflict with the Collateral Agreement, the provisions of the Collateral Agreement shall control.

SECTION 4. Termination. Once the Commitments have been terminated and the principal of and interest and premium (if any) on each Loan, all Fees and all other expenses or amounts payable under any Loan Document and any Secured Hedge Agreement and any Secured Cash Management Agreement have been paid in full and in cash (other than contingent indemnification obligations and expense reimbursements that, pursuant to the terms of the Credit Agreement, the other Loan Documents and any Secured Hedge Agreement and any Secured Cash Management Agreement, survive the termination thereof) and all Letters of Credit have been canceled or have expired and all amounts drawn thereunder have been reimbursed in full or Cash Collateralized, the security interest granted pursuant to the Collateral Agreement and the security interest granted herein shall terminate and be deemed released, and upon written request of the Borrower, the Administrative Agent shall execute, acknowledge, and deliver to the Pledgor an instrument in writing in recordable form releasing the collateral pledge, grant, lien and security interest in the Trademark Collateral under this Trademark Security Agreement.

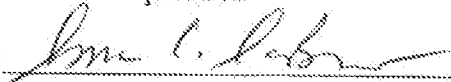

SECTION 5. Counterparts. This Trademark Security Agreement may be executed in any number of counterparts, all of which shall constitute one and the same instrument, and any party hereto may execute this Trademark Security Agreement by signing and delivering one or more counterparts.

SECTION 6. Governing Law. This Trademark Security Agreement and the transactions contemplated hereby, and all disputes between the parties under or relating to this Trademark Security Agreement or the facts or circumstances leading to its execution, whether in contract, tort or otherwise, shall be construed in accordance with and governed by the laws (including statutes of limitation) of the State of New York, without regard to conflicts of law principles that would require the application of the laws of another jurisdiction.
