TRADEMARK SECURITY AGREEMENT

This TRADEMARK SECURITY AGREEMENT, dated as of May 20, 2014 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, this "Trademark Security Agreement"), is made by DEALERTRACK CENTRAL DISPATCH, INC., a Delaware corporation with an address at 1111 Marcus Ave., Suite M04, Lake Success, NY 11042 (the "Grantor") in favor of JPMORGAN CHASE BANK, N.A., a national association with an address at 10 S. Dearborn, 7th Floor, Chicago, IL 60603 as administrative agent (together with its successors in such capacity, the "Administrative Agent") for the Secured Parties (as defined in the Credit Agreement referred to below).

WHEREAS, Dealertrack Technologies, Inc., a Delaware corporation, Dealertrack Canada, Inc., an Ontario corporation (collectively, the "Borrowers"), the Lenders and the Administrative Agent have entered into a Credit Agreement, dated as of February 28, 2014 (as amended, restated, amended and restated, supplemented, replaced or otherwise modified from time to time, the "Credit Agreement"). Capitalized terms used and not defined herein have the meanings given to such terms in the Credit Agreement or in the Guarantee and Collateral Agreement referred to below.

WHEREAS, in connection with the Credit Agreement, the Grantor has entered into a U.S. Guarantee and Collateral Agreement, dated as of February 28, 2014, in favor of the Administrative Agent (as amended, restated, amended and restated, supplemented, replaced or otherwise modified from time to time, the "Guarantee and Collateral Agreement").

WHEREAS, under the terms of the Guarantee and Collateral Agreement, the Grantor has granted to the Administrative Agent, for the ratable benefit of the Secured Parties, a security interest in all of the Grantor's right, title, and interest in and to certain Collateral, including, without limitation, certain of its Trademarks, and has agreed as a condition thereof to execute this Trademark Security Agreement in order to record the security interests granted therein with the United States Patent and Trademark Office (or any successor office or other applicable United States Governmental Authorities).

NOW, THEREFORE, in consideration of the above premises, the Grantor hereby agrees with the Administrative Agent, for the ratable benefit of the Secured Parties, as follows:

SECTION 1. Grant of Security. The Grantor hereby assigns and transfers to the Administrative Agent, and hereby grants to the Administrative Agent, for the ratable benefit of the Secured Parties, a security interest in all of such Grantor's right, title and interest in and to the following, as collateral security for the prompt and complete payment and performance when due (whether at the stated maturity, by acceleration or otherwise) of such Grantor's Obligations:

(a) (i) all trademarks, trade names, brand names, corporate names, company names, business names, fictitious business names, trade styles, trade dresses, domain names, service marks, logos and other source or business identifiers, and all goodwill associated therewith or symbolized thereby, now existing or hereafter adopted or acquired, all registrations and recordings thereof, and all applications in connection therewith, whether in the United States

Patent and Trademark Office or in any similar office or agency of the United States, any State thereof or any other country or any political subdivision thereof, or otherwise, and all common-law rights related thereto, and (ii) the right to obtain all renewals thereof, including, without limitation, any identified in Schedule 1;

(b) all Trademark Licenses, including, without limitation, any identified in Schedule 1; and

(c) the right to sue at law or in equity for any infringement or other impairment of any of the foregoing, including the right to receive all proceeds and damages therefrom.

SECTION 2. Recordation. The Grantor authorizes and requests that the Commissioner of Patents and Trademarks and any other applicable United States government officer record this Trademark Security Agreement.

SECTION 3. Execution in Counterparts. This Trademark Security Agreement may be executed in any number of counterparts (including by telecopy or other electronic transmission), each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement.

SECTION 4. GOVERNING LAW. THIS TRADEMARK SECURITY AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

SECTION 5. Conflict Provision. This Trademark Security Agreement has been entered into in conjunction with the provisions of the Guarantee and Collateral Agreement and the Credit Agreement. The rights and remedies of each party hereto with respect to the security interest granted herein are without prejudice to, and are in addition to those set forth in the Guarantee and Collateral Agreement and the Credit Agreement, all terms and provisions of which are incorporated herein by reference. In the event that any provisions of this Trademark Security Agreement are in conflict with the Guarantee and Collateral Agreement or the Credit Agreement, the provisions of the Guarantee and Collateral Agreement or the Credit Agreement, as applicable, shall govern.

IN WITNESS WHEREOF, each of the undersigned has caused this Trademark Security Agreement to be duly executed and delivered as of the date first above written.
