Notwithstanding anything herein to the contrary, the liens and security interests granted to the Collateral Agent pursuant to this Agreement and the exercise of any right or remedy by the Collateral Agent hereunder, are subject to the provisions of the Intercreditor Agreement dated as of April 10, 2014 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the "Intercreditor Agreement"), among JPMorgan Chase Bank, N.A., as Initial ABL Agent, Bank of America, N.A., as Initial Term Loan Agent, and the Grantors (as defined in the Intercreditor Agreement) from time to time party thereto. In the event of any conflict between the terms of the Intercreditor Agreement and the terms of this Agreement, the terms of the Intercreditor Agreement shall govern and control.

GRANT OF  
SECURITY INTEREST IN TRADEMARK RIGHTS

This GRANT OF SECURITY INTEREST IN TRADEMARK RIGHTS ("Agreement"), effective as of April 10, 2014 is made by Kate Spade LLC, a Delaware corporation, ("Grantor") in favor of Bank of America, N.A., a national banking association, in its capacity as administrative agent (in such capacity, together with its successors and assigns in such capacity, the "Administrative Agent") and in its capacity as collateral agent for the Secured Parties (as defined in the Security Agreement described below), (together with its successors and assigns in such capacity, the "Collateral Agent").

W I T N E S S E T H:

WHEREAS, pursuant to the Credit Agreement, dated as of April 10, 2014, among Kate Spade & Company (the "Borrower"), the several banks and other financial institutions (the "Lenders"), the Administrative Agent and the other agents party thereto (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the "Credit Agreement"), the Lenders have severally agreed to make Loans and other extensions of credit to the Grantor and other Borrower as set forth therein upon the terms and subject to the conditions set forth therein;

WHEREAS, in connection with the Credit Agreement, the Grantor has executed and delivered a Pledge and Security Agreement, dated as of April 10, 2014, in favor of the Collateral Agent (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the "Security Agreement");

WHEREAS, pursuant to the Security Agreement, the Grantor pledged and granted to the Collateral Agent for the benefit of the Secured Parties a continuing security interest in the Trademarks; and

WHEREAS, the Grantor has duly authorized the execution, delivery and performance of this Agreement;

NOW THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, and in order to induce the Lenders to make Loans pursuant to the Credit Agreement and other financial accommodations to the Borrower, the Grantor agrees, for the benefit of the Secured Parties, as follows:

Definitions. Unless otherwise defined herein or the context otherwise requires, terms used in this Agreement, including its preamble and recitals, have the meanings provided or provided by reference in the Security Agreement or the Credit Agreement, as applicable (it being

understood that, in the event of any conflict, such terms shall have the meanings provided or provided by reference in the Security Agreement).

Grant of Security Interest. The Grantor hereby pledges and grants a continuing security interest in, and a right of setoff against, and agrees to assign, transfer and convey, upon demand made upon the occurrence and during the continuance of an Event of Default without requiring further action by either party and to be effective upon such demand, all of such Grantor's right, title and interest in, to and under the Trademarks (including, without limitation, those items listed on Schedule A hereto) (collectively, the "Collateral"), to the Collateral Agent for the benefit of the Collateral Agent and the Secured Parties to secure payment, performance and observance of the Secured Obligations.

Purpose. This Agreement has been executed and delivered by the Grantor for the purpose of recording the grant of security interest herein with the United States Patent and Trademark Office. The security interest granted hereby has been granted to the Secured Parties in connection with the Security Agreement and is expressly subject to the terms and conditions thereof. The Security Agreement (and all rights and remedies of the Secured Parties thereunder) shall remain in full force and effect in accordance with its terms.

Acknowledgment. The Grantor does hereby further acknowledge and affirm that the rights and remedies of the Secured Parties with respect to the security interest in the Collateral granted hereby are more fully set forth in the Credit Agreement and the Security Agreement, the terms and provisions of which (including the remedies provided for therein) are incorporated by reference herein as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the terms of the Security Agreement, the terms of the Security Agreement shall govern.

Counterparts. This Agreement may be executed in counterparts, each of which will be deemed an original, but all of which together constitute one and the same original.

*[Remainder of page intentionally left blank]*

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed and delivered by their respective officers on the date set forth above.

KATE SPADE LLC
