*Assignor hereby authorizes Assignee to insert the patent application (or serial number) and filing date when known if it is not known at the time of execution of this Assignment.

Michael D. Ries, located at 115 St. Thomas Way, Tiburon, California, 84920 (the "Assignee"), desires to secure all rights, title and interest in said inventions held by Assignor.

For good and valuable consideration paid to Assignor by the Assignee on or before May 16, 2014, the receipt and sufficiency of which are hereby acknowledged,

EFFECTIVE MAY 16, 2014, ASSIGNOR HEREBY ASSIGNS TO THE ASSIGNEE:

all right, title and interest held by Assignor in said inventions and trademarks (together with all goodwill pertaining thereto), the documents and intellectual property created or produced in association with design history file numbers 1110 and 1142 (including the designed concepts, design history file, CAD models, and product development documentation for said inventions), and in the above-identified United States patent applications and in all provisionals, non-provisional, divisions, continuations and continuations-in-part of said application, or reissues or extensions of letters patent or patents granted thereon, in all corresponding applications filed under the Patent Cooperation Treaty ("PCT"), and in all corresponding applications filed in any countries, territories, or jurisdictions worldwide, and in all patents issuing thereon in the United States and in any countries, territories, and jurisdictions worldwide; and

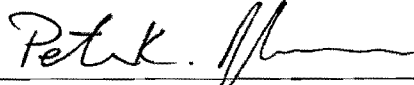

the right to file PCT or foreign patent applications on said inventions in his own name, wherever such right may be legally exercised, including the right to claim the benefits of the International Convention for such applications.

Assignor hereby authorizes and requests the United States Commissioner of Patents and Trademarks, and such Patent Office officials in all countries, territories, and jurisdictions worldwide as are duly authorized by their patent laws to issue patents and trademarks, to issue any and all patents on said inventions and all trademarks to the Assignee, together, as the owner of all rights, title, and interests in and to said inventions and trademarks, for the sole use and benefit of Assignee, his successors, assigns and legal representatives.

Assignor hereby authorizes and requests such Patent Office officials affiliated with the International Bureau of WIPO and duly authorized under the PCT to prosecute any PCT application on said inventions and trademarks for the benefit of the Assignee as the owner of all rights, title, and interests in and to said inventions and trademarks, for the sole use and benefit of Assignee, his successors, assigns and legal representatives.

This assignment and agreement shall be binding upon Assignor, its affiliates and legal representatives.

DATED JUNE 19, 2014.

Peter K. Johnson, Vice President of Legal

Declaration of Witness

I, Kathleen Hansen, hereby declare that I was personally present and did see Peter K. Johnson duly sign and execute the foregoing Assignment.
