This Trademark Assignment (this "Agreement"), dated as of March 30, 2014, and effective as of January 1, 2014, is made and entered by and between Global I International LLC, a Texas limited liability company formerly known as United I International Laboratories, LLC ("Assignor"), and United Laboratories Manufacturing, LLC, a Delaware limited liability company ("Assignee") (collectively, the "Parties").

WHEREAS, Assignor is the owner of all right, title, and interest in, to and under the trademark identified in **Schedule A** (hereinafter referred to as the "Trademark") and has the full right to make the conveyance herein;

WHEREAS, Assignee desires, and Assignor has agreed to assign to Assignee, its entire right, title and interest in, to and under the Trademark, together with the goodwill of the business connected with the use of and symbolized by the Trademark;

NOW, THEREFORE, in consideration of the mutual agreements and covenants contained herein and for other valuable consideration, the receipt and sufficiency of which are hereby acknowledged, it is mutually agreed by and between the Parties to this Agreement as follows:

1. Assignor hereby sells, assigns and transfers to Assignee its entire right, title, and interest, whether statutory or common law rights, in, to and under the Trademark, and the application and registration therefor, together with the goodwill of the business connected with the use of and symbolized by the Trademark and all rights and causes of action to recover past, present or future damages, royalties, fees, profits or other relief, including but not limited to, equitable and injunctive relief ensuing from infringement of the Trademark.

2. If any term or provision in this Agreement is held to be unenforceable, the remainder of the Agreement shall not be affected.

3. This Agreement shall be binding upon and inure to the benefit of the employees, officers, agents, representatives, heirs, administrators, executors, successors, transferees and assigns of the Parties.

4. This Agreement may be executed in one or more counterparts, all of which shall, upon execution and delivery of identical counterparts by the Parties, comprise a single agreement. Counterpart signatures may be exchanged by facsimile or other electronic transmission.

5. The Parties, without further consideration, agree to execute and deliver other documents and take other and further actions as may be necessary to more fully effectuate or consummate the subject matter of this Agreement.

6. Any modification or waiver of any provision of this Agreement, or any consent to any departure from the terms of this Agreement, shall not be binding unless in writing and signed by all of the Parties to this Agreement.

7. This Agreement shall be deemed to have been written, approved and accepted in the State of Texas, United States of America. The construction and interpretation of this Agreement, wherever executed, and wherever to be performed shall be governed by the laws of the State of Texas, United States of America.

8. The signatories hereto and the Parties represent that they are fully authorized to enter into this Agreement.

9. The rights and obligations of the Parties set forth herein shall remain in effect without limitation as to time.

10. In the event that either of the Parties hereto deem it necessary to employ counsel and institute any action to enforce the terms of this Agreement, the Parties hereto stipulate and agree that any and all attorneys' fees, paralegal's fees and costs associated with such action, at all levels, shall be paid by the non-prevailing party to the prevailing party.

11. The waiver of breach of this Agreement shall not constitute a waiver of any subsequent breach. Any waiver of a provision of this Agreement must be in writing.
