13.2 Multiple Receivers

If at any time there is more than one Receiver of all or any part of the Security Assets and/or the income of the Security Assets, each Receiver shall have power to act individually (unless otherwise stated in the appointment document).

- (b) to manage the Security Assets and the business of the Chargor as he thinks fit;
- (c) to redeem any Security Interest and to borrow or raise any money and secure the payment of any money in priority to the Secured Obligations for the purpose of the exercise of his powers and/or defraying any costs or liabilities incurred by him in such exercise;
- (d) to sell or concur in selling, leasing or otherwise disposing of all or any part of the Security Assets in respect of which he was appointed without the need to observe the restrictions imposed by section 103 of the Act and without limitation:
 - (i) the consideration for any such transaction may consist of cash, debentures or other obligations, shares, stock or other valuable consideration (and the amount of such consideration may be dependent upon profit or turnover or be determined by a third party); and
 - (ii) any such consideration may be payable in a lump sum or by instalments spread over such period as he thinks fit;
- (e) to carry out any sale, lease or other disposal of all or any part of the Security Assets by conveying, transferring, assigning or leasing the same in the name of the Chargor and, for that purpose, to enter into covenants and other contractual obligations in the name of, and so as to bind, the Chargor;
- (f) to take any such proceedings (in the name of the Chargor or otherwise) as he shall think fit in respect of the Security Assets and/or income in respect of which he was appointed;
- (g) to enter into or make any such agreement, arrangement or compromise as he shall think fit;
- (h) to insure, and to renew any insurances in respect of, the Security Assets as he shall think fit (or as the Chargee shall direct);
- (i) to appoint and employ such managers, officers and workmen and engage such professional advisers as he shall think fit (including, without prejudice to the generality of the foregoing power, to employ his partners and firm);
- (j) to form one or more Subsidiaries of the Chargor, and to transfer to any such Subsidiary all or any part of the Security Assets;
- (k) to:
 - (i) give valid receipts for all monies and to do all such other things as may seem to him to be incidental or conducive to any other power vested in him or necessary or desirable for the realisation of any Security Asset;

- (ii) exercise in relation to each Security Asset all such powers and rights as he would be capable of exercising if he were the absolute beneficial owner of the Security Assets; and
- (iii) use the name of the Chargor for any of the above purposes.

15. APPLICATION OF PROCEEDS

15.1 Application

All monies received by the Chargee or any Receiver after this Deed has become enforceable shall (subject to the rights and claims of any person having a security ranking in priority to this Deed) be applied in the following order:

- (a) *first*, in satisfaction of, or provision for, all costs, charges and expenses incurred, and payments made by the Chargee or any Receiver or Delegate under or in connection with this Deed or the Security Assets and of all remuneration due to the Receiver in connection with this Deed or the Security Assets;
- (b) *secondly*, in or towards satisfaction of the remaining Secured Obligations in accordance with clause 15.3 (*Appropriation and suspense account*); and
- (c) *thirdly*, in payment of any surplus to the Chargor or other person entitled to it.

15.2 Contingencies

If this Deed is enforced at a time when no amounts are due to it (but at a time when amounts may become so due), the Chargee or a Receiver may pay the proceeds of any recoveries effected by it into a blocked suspense account.

15.3 Appropriation and suspense account

- (a) Subject to clause 15.1 (*Application*), the Chargee shall apply all payments received in respect of the Secured Obligations in reduction of any part of the Secured Obligations in any order or manner which it may determine.
- (b) Any such appropriation shall override any appropriation by the Chargor.
- (c) All monies received, recovered or realised by the Chargee under or in connection with this Deed may at the discretion of the Chargee be credited to a separate interest-bearing suspense account for so long as the Chargee determines (with interest accruing thereon at such rate (if any) as the Chargee may determine without the Chargee having any obligation to apply such monies and interest or any part of it in or towards the discharge of any of the Secured Obligations unless such monies would clear all Secured Obligations in full).

16. SET-OFF

- (a) The Chargee may (but shall not be obliged to) set off any obligation which is due and payable by the Chargor and unpaid (whether under the Finance Documents or which has been assigned to the Chargee by the Chargor) against any obligation (whether or not matured) owed by the Chargee to the Chargor, regardless of the place of payment or currency of either obligation.

- (b) At any time after this Deed has become enforceable (and in addition to its rights under clause 16(a)), the Chargee may (but shall not be obliged to) set-off any contingent liability owed by the Chargor under any Finance Document against any obligation (whether or not matured) owed by the Chargee to the Chargor, regardless of the place of payment or currency of either obligation.
- (c) If the obligations are in different currencies, the Chargee may convert either obligation at a market rate of exchange in its usual course of business for the purpose of the set-off.
- (d) If either obligation is unliquidated or unascertained, the Chargee may set off in an amount estimated by it in good faith to be the amount of that obligation.

17. DELEGATION

Each of the Chargee and any Receiver may delegate, by power of attorney (or in any other manner) to any person, any right, power or discretion exercisable by them under this Deed upon any terms (including power to sub-delegate) which it may think fit. Neither the Chargee nor any Receiver shall be in any way liable or responsible to the Chargor for any loss or liability arising from any act, default, omission or misconduct on the part of any Delegate.

18. FURTHER ASSURANCES

18.1 Further action

The Chargor shall, at its own expense, immediately do all acts and execute all documents as the Chargee or a Receiver may reasonably specify (and in such form as the Chargee or a Receiver may reasonably require) for:

- (a) creating, perfecting or protecting the Security Interests intended to be created by this Deed;
- (b) facilitating the realisation of any Security Asset or the exercise of any rights, powers and remedies exercisable by the Chargee, or any Receiver or any Delegate in respect of any Security Asset or by law; and
- (c) creating and perfecting Security Interests in favour of the Chargee over any property and assets of the Chargor located in any jurisdiction outside England and Wales equivalent or similar to the Security Interests intended to be created by or pursuant to this Deed or any other Finance Document.

This includes:

- (a) the re-execution of this Deed or such Finance Document;
- (b) the execution of any legal mortgage, charge, transfer, assignment, assignation or assurance of any property, whether to the Chargee or to its nominee; and
- (c) whether to the Chargee or to its nominees, the giving of any notice, order or direction and the making of any filing or registration,

which, in any such case, the Chargee may think expedient.

18.2 Specific security

Without prejudice to the generality of clause 18.1 (*Further action*), the Chargor will immediately upon request by the Chargee execute any document contemplated by that clause over any Security Asset which is subject to or intended to be subject to any fixed security under this Deed.

19. POWER OF ATTORNEY

The Chargor, by way of security, irrevocably and severally appoints the Chargee, each Receiver and any Delegate to be its attorney to take any action which the Chargor is obliged to take under this Deed, including under clause 18 (*Further assurances*). The Chargor ratifies and confirms whatever any attorney does or purports to do pursuant to its appointment under this clause.

20. PAYMENTS

Subject to clause 21 (*Gross-Up*), all payments to be made by the Chargor in respect of this Deed shall be made:

- (a) in immediately available funds to the credit of such account as the Chargee may designate; and
- (b) without (and free and clear of, and without any deduction for, or on account of) any set-off or counterclaim, or except to the extent compelled by law, any deduction or withholding for or on account of tax.

21. GROSS-UP

If the Chargor is compelled by law to make any deduction or withholding from any sum payable under this Deed to the Chargee, the sum so payable by the Chargor shall be increased so as to result in the receipt by the Chargee of a net amount equal to the full amount expressed to be payable under this Deed.

22. TAXES

The Chargor shall pay all present and future stamp, registration and similar taxes or charges which may be payable, or determined to be payable, in connection with the execution, delivery, performance or enforcement of this Deed or any judgment given in connection therewith and indemnify the Chargee and any Receiver on demand against any and all costs, losses or liabilities (including penalties) with respect to, or resulting from, its delay or omission to pay any such stamp, registration and similar taxes or charges.

23. COSTS AND EXPENSES

23.1 Transaction and amendment expenses

The Chargor shall promptly on demand pay to the Chargee the amount of all reasonable costs, charges and expenses (including legal fees, valuation, accountancy and consultancy fees (and any VAT or similar tax thereon)) incurred by the Chargee in connection with (a) the negotiation, preparation, printing, execution, registration, perfection and completion of this Deed, the Finance Documents, or any document referred to in this Deed; or (b) any actual or proposed amendment or extension of, or any waiver or consent under, this Deed.

23.2 Enforcement and preservation costs

The Chargor shall promptly on demand pay to the Chargee and any Receiver the amount of all costs, charges and expenses (including, legal fees (and any VAT or similar tax thereon)) incurred by any of them in connection with the enforcement, exercise or preservation (or the attempted enforcement, exercise or preservation) of any of their respective rights under this Deed, the Finance Documents, or any document referred to in this Deed (including all remuneration of the Receiver).

23.3 Default interest

Any amount demanded under clause 23.1 (*Transaction and amendment expenses*) or 23.2 (*Enforcement and preservation costs*) shall bear interest at the Default Rate (both before and after judgment) from the day on which those costs, charges or expenses were paid, incurred or charged by the relevant person and otherwise in accordance with clause 2.1 (*Default interest*).

24. INDEMNITY

The Chargor shall indemnify the Chargee, any Receiver and any attorney, agent or other person appointed by the Chargee under this Deed and the Chargee's officers and employees (each an "**Indemnified Party**") on demand against any cost, loss, liability or expense (however arising) incurred by any Indemnified Party as a result of or in connection with:

- (a) anything done or omitted in the exercise or purported exercise of the powers contained in this Deed;
- (b) the Security Assets or the use or occupation of them by any person; or
- (c) any breach by the Chargor of any of its obligations under this Deed.

25. CHANGES TO THE PARTIES

25.1 Chargor

The Chargor may not assign any of its rights or obligations under this Deed.

25.2 The Chargee

The Chargee may assign or transfer all or any part of its rights under this Deed. The Chargor shall, immediately upon being requested to do so by the Chargee, enter into such documents as may be necessary or desirable to effect such assignment or transfer.

26. MISCELLANEOUS

26.1 New accounts

- (a) If the Chargee receives, or is deemed to be affected by, notice, whether actual or constructive, of any subsequent Security Interest (other than a Permitted Security) affecting any Security Asset and/or the proceeds of sale of any Security Asset or any guarantee in favour of the Chargee ceases to continue in force and/or the proceeds of sale of any Security Asset, it may open a new account or accounts for the Chargor. If it does not open a new account, it shall nevertheless be treated as if it had done so at the time when it received or was deemed to have received such notice.

- (b) As from that time all payments made to the Chargee will be credited or be treated as having been credited to the new account and will not operate to reduce any amount of the Secured Obligations.

26.2 Tacking

This Deed secures advances already made and further advances to be made.

26.3 Articles of Association

The Chargor certifies that this Deed does not contravene any of the provisions of the articles of association of the Chargor.

27. PROTECTIVE CLAUSES

The obligations of the Chargor under, and the security intended to be created by, this Deed shall not be impaired by any forbearance, neglect, indulgence, extension or time, release, surrender or loss of securities, dealing, amendment or arrangement by the Chargee which would otherwise have reduced, released or prejudiced the Security Interests intended to be created by this Deed or any surety liability of the Chargor (whether or not known to it).

28. NOTICES

28.1 Communication in writing

Any communication to be made under or in connection with this Deed shall be made in writing and, unless otherwise stated, may be made by fax or letter.

28.2 Addresses

The address and fax number (and the department or officer, if any, for whose attention the communication is to be made) of each party for any communication or document to be made or delivered under or in connection with this Deed shall be as set out beneath its name on the execution pages below, or any substitute address, fax number or department or officer as the Chargor or the Chargee may notify to the other party by not less than five Business Days' notice.

28.3 Delivery

- (a) Subject to clause 28.3(b), any communication or document made or delivered by one person to another under or in connection with this Deed will only be effective:

- (i) if by way of fax, when received in legible form; or
- (ii) if by way of letter, when it has been left at the relevant address or two Business Days after being deposited in the post postage prepaid in an envelope addressed to it at that address,

and, if a particular department or officer is specified as part of its address details provided under clause 28.2 (*Addresses*), if addressed to that department or officer.

- (b) Any communication or document to be made or delivered to the Chargee will be effective only when actually received by the Chargee and then only if it is expressly marked for the attention of the department or officer specified in clause 28.2

(Addresses) (or any substitute department or officer as the Chargee shall specify for this purpose).

28.4 English language

- (a) Any notice given under or in connection with this Deed must be in English.
- (b) All other documents provided under or in connection with this Deed must be:
 - (i) in English; or
 - (ii) if not in English, and if so required by the Chargee, accompanied by a certified English translation and, in this case, the English translation will prevail unless the document is a constitutional, statutory or other official document.

29. CALCULATIONS AND CERTIFICATES

Any certificate of or determination by the Chargee specifying the amount of any Secured Obligation due from the Chargor (including details of any relevant calculation thereof) is in the absence of manifest error, conclusive evidence against the Chargor of the matters to which it relates.

30. PARTIAL INVALIDITY

All the provisions of this Deed are severable and distinct from one another and if at any time any provision is or becomes illegal, invalid or unenforceable in any respect under any law of any jurisdiction, neither the legality, validity or enforceability of any of the remaining provisions nor the legality, validity or enforceability of such provision under the law of any other jurisdiction will in any way be affected or impaired.

31. REMEDIES AND WAIVERS

No failure to exercise, nor any delay in exercising, on the part of the Chargee, any right or remedy under this Deed shall operate as a waiver, nor shall any single or partial exercise of any right or remedy prevent any further or other exercise, or the exercise of any other right or remedy. The rights and remedies provided are cumulative and not exclusive of any rights or remedies provided by law.

32. AMENDMENTS AND WAIVERS

Any provision of this Deed may be amended only if the Chargee and the Chargor so agree in writing and any breach of this Deed may be waived before or after it occurs only if the Chargee so agrees in writing. A waiver given or consent granted by the Chargee under this Deed will be effective only if given in writing and then only in the instance and for the purpose for which it is given.

33. CONTINUING LIABILITY

Where any discharge (whether in respect of the obligations of the Chargor or any security for those obligations or otherwise) is made in whole or in part or any arrangement is made on the faith of any payment, security or other disposition which is avoided or must be restored on insolvency, liquidation or otherwise (without limitation), the liability of the Chargor under this Deed shall continue as if the discharge or arrangement had not occurred. The Chargee

may concede or compromise any claim that any payment, security or other disposition is liable to avoidance or restoration.

34. COUNTERPARTS

This Deed may be executed in any number of counterparts, and this has the same effect as if the signatures (and seals, if any) on the counterparts were on a single copy of this Deed.

35. RELEASE

35.1 Release

Upon the expiry of the Security Period (but not otherwise) the Chargee shall, at the request and cost of the Chargor, take whatever action is necessary to release or re-assign (without recourse or warranty) the Security Assets from the Security Interests created or evidenced by this Deed.

35.2 Reinstatement

Where any discharge (whether in respect of the obligations of the Chargor or any security for those obligations or otherwise) is made in whole or in part or any arrangement is made on the faith of any payment, security or other disposition which is avoided or must be restored on insolvency, liquidation or otherwise (without limitation), the liability of the Chargor under this Deed shall continue as if the discharge or arrangement had not occurred. The Chargee may concede or compromise any claim that any payment, security or other disposition is liable to avoidance or restoration.

36. GOVERNING LAW AND JURISDICTION

- (a) This Deed is governed by English law.
- (b) The courts of England have exclusive jurisdiction to settle any dispute arising out of or in connection with this Deed (including a dispute regarding the existence, validity or termination of this Deed) ("**Dispute**").
- (c) Each of the parties agree that the courts of England are the most appropriate and convenient courts to settle Disputes and accordingly no party will argue to the contrary.
- (d) Clauses 36(b) and 36(c) are for the benefit of the Chargee only. As a result, the Chargee shall not be prevented from taking proceedings relating to a Dispute in any other courts with jurisdiction. To the extent allowed by law, the Chargee may take concurrent proceedings in any number of jurisdictions.

IN WITNESS of which this Deed has been duly executed by the Chargor as a deed and duly executed by the Chargee and has been delivered on the first date specified on page 1 of this Deed by the Chargor.
