INTELLECTUAL PROPERTY SECURITY AGREEMENT

This Intellectual Property Security Agreement (this "Agreement") is entered into as of September 17, 2014, by and between **SGP LAND, LLC**, a Delaware limited liability company (the "Secured Party"), and **ACCORDANT ENERGY, LLC**, a Delaware limited liability company (the "Debtor").

RECITALS

A. The Debtor has executed to the order of and in favor of the Secured Party that certain Promissory Note and Security Agreement dated the date hereof (the "Note"), pursuant to which the Secured Party is making a loan in the principal amount of Three Million Dollars and No/100 (\$3,000,000.00) in accordance with the terms of the Note.

B. Pursuant to the terms of the Note and in order to induce the Secured Party to extend the credit evidenced by the Note, the Debtor has granted the Secured Party a security interest in and lien on, all of the Debtor's right, title and interest in and to the Collateral (as defined in the Note), including, without limitation, the Intellectual Property Collateral (as defined below).

AGREEMENT

The Debtor hereby grants to the Secured Party, a security interest in and lien on, and confirms and ratifies the grant of a security interest in and lien on, all of the Debtor's right, title and interest in and to the intellectual property of the Debtor, whether now owned or hereafter acquired, and whether now existing or hereafter created, arising, accruing, incurred or entered into, including, without limitation, the intellectual property listed on Exhibit A (Copyrights), Exhibit B (Patents) and Exhibit C (Trademarks) to this Agreement, and (a) all license fees, royalty fees and other proceeds and income in any form from the manufacture, license, sale, distribution or use of such intellectual property, (b) all goodwill associated with such intellectual property, (c) all continuations, renewals, divisions, extensions, continuations-in-part, reexaminations and reissues of such intellectual property, and (d) all rights to sue and other claims by the Debtor for past, present or future infringement of, or dilution of, or other damages to the goodwill of, any such intellectual property and any and all proceeds therefrom (collectively, the "Intellectual Property Collateral").

The Debtor agrees to notify the Secured Party as promptly as practicable, and in any event within ten (10) days, of the Debtor's registration, acquisition, application for or adoption of any copyright, patent or trademark not listed on Exhibits A, B or C to this Agreement. Any such copyright, patent or trademark that the Debtor registers, acquires, applies for or adopts is to thereafter be deemed a part of the Intellectual Property Collateral. The Debtor agrees to execute and deliver, at the Debtor's sole cost and expense, all such security agreements, assignments, mortgages or other documents or filings the Secured Party deems, in the Secured Party's sole and absolute discretion, necessary or advisable to preserve and perfect the Secured Party's security interest in and lien on all of the Debtor's right, title and interest in and to the Intellectual Property Collateral. The Debtor agrees to record with all appropriate agencies or authorities, at the Debtor's sole cost and expense, all such documents and other instruments the Secured Party deems, in the Secured Party's sole and absolute discretion, necessary or advisable to preserve and perfect the Secured Party's security interest in and lien on all of the Debtor's right, title and interest in and to the Intellectual Property Collateral.

The security interest and lien granted pursuant to this Agreement are granted in connection with the security interest and lien granted pursuant to the Note. The Debtor acknowledges that the Secured Party's rights and remedies with respect to the Secured Party's security interest in and lien on the Intellectual Property Collateral are in addition to those rights and remedies provided in the Note, and any other rights and remedies available at law or equity, and that this Agreement confers no obligations on the Secured Party. This Agreement is to be governed by and construed and enforced in accordance with the laws of the Commonwealth of Kentucky, without regard to any applicable conflicts of laws principles. The Secured Party's security interest in and lien on the Intellectual Property Collateral are subject to and can be modified or terminated only in accordance with the terms of the Note.

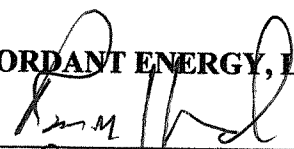

The Debtor hereby further authorizes the Secured Party to file with the United States Patent and Trademark Office and the United States Copyright Office (and any successor office and any similar office in any state of the United States or in any other country) this Agreement and other documents for the purpose of perfecting, confirming, continuing, enforcing or protecting the security interest granted by the Debtor hereunder, without the signature of the Debtor where permitted by law.

The Debtor and the Secured Party are permitted to execute this Agreement in any number of counterparts, each of which when so executed and delivered, is to be an original, but each counterpart together is to constitute one and the same instrument. The exchange of copies of this Agreement and of signature pages by facsimile or other electronic transmission is to constitute effective execution and delivery of this Agreement for all purposes. Signatures of the Debtor and the Secured Party transmitted by facsimile or other electronic transmission are to be deemed to be their original signatures for any purpose whatsoever. This Agreement is to be deemed made under seal.

The Debtor and the Secured Party, intending to be legally bound, have caused this Agreement to be executed by a duly authorized representative as of the date first set forth above.

The security interest and lien granted pursuant to this Agreement are granted in connection with the security interest and lien granted pursuant to the Note. The Debtor acknowledges that the Secured Party's rights and remedies with respect to the Secured Party's security interest in and lien on the Intellectual Property Collateral are in addition to those rights and remedies provided in the Note, and any other rights and remedies available at law or equity, and that this Agreement confers no obligations on the Secured Party. This Agreement is to be governed by and construed and enforced in accordance with the laws of the Commonwealth of Kentucky, without regard to any applicable conflicts of laws principles. The Secured Party's security interest in and lien on the Intellectual Property Collateral are subject to and can be modified or terminated only in accordance with the terms of the Note.

The Debtor hereby further authorizes the Secured Party to file with the United States Patent and Trademark Office and the United States Copyright Office (and any successor office and any similar office in any state of the United States or in any other country) this Agreement and other documents for the purpose of perfecting, confirming, continuing, enforcing or protecting the security interest granted by the Debtor hereunder, without the signature of the Debtor where permitted by law.

The Debtor and the Secured Party are permitted to execute this Agreement in any number of counterparts, each of which when so executed and delivered, is to be an original, but each counterpart together is to constitute one and the same instrument. The exchange of copies of this Agreement and of signature pages by facsimile or other electronic transmission is to constitute effective execution and delivery of this Agreement for all purposes. Signatures of the Debtor and the Secured Party transmitted by facsimile or other electronic transmission are to be deemed to be their original signatures for any purpose whatsoever. This Agreement is to be deemed made under seal.

The Debtor and the Secured Party, intending to be legally bound, have caused this Agreement to be executed by a duly authorized representative as of the date first set forth above.
