TRADEMARK ASSIGNMENT

THIS TRADEMARK ASSIGNMENT (this "Assignment") is made and entered into as of November 12, 2014 ("Effective Date") by and between LBG, Inc. a California corporation ("Assignee"), and Natus Corporation, a Delaware corporation ("Assignor").

WHEREAS, Assignor is the sole and exclusive owner of the entire right, title and interest in and to the United States trademark application set forth on Schedule A attached hereto, together with all goodwill associated with any of the foregoing (the "Mark");

WHEREAS, Assignee wishes to acquire from Assignor, and Assignor wishes to assign to Assignee, the entire right, title and interest in and to the Mark.

NOW, THEREFORE, in consideration of the sum of One (1) Dollar, the receipt and sufficiency of which are hereby acknowledged by Assignor, Assignor hereby sells, assigns, transfers and sets over to Assignee the entire right, title and interest in and to the Mark, for the United States and for all foreign countries, including, without limitation, any registrations and applications therefor, any renewals and extensions of the registrations, and all other corresponding rights that are or may be secured under the laws of the United States or any foreign country (statutory, common law or otherwise), now or hereafter in effect, together with all goodwill associated with any of the foregoing, together with all income, royalties or payments due or payable as of the Effective Date or thereafter, including, without limitation, all claims for damages by reason of past, present or future infringement or other unauthorized use of the Mark, with the right to sue for, and collect the same for Assignee's own use and enjoyment and for the use and enjoyment of its successors, assigns or other legal representatives, as fully and entirely as the same would have been held and enjoyed by Assignors if this Assignment had not been made. Assignee is the successor to the portion of Assignor's business to which the Mark pertains.

Assignor hereby authorizes and requests the Commissioner of Patents and Trademarks, and the corresponding entities or agencies in any applicable foreign countries, to record Assignee as the assignee and owner of the Mark.

IN WITNESS WHEREOF, Assignor and Assignee have caused this Assignment to be executed by their duly authorized representatives as of the Effective Date.
