INTELLECTUAL PROPERTY ASSIGNMENT AGREEMENT

This Intellectual Property Assignment Agreement (this "Assignment") is made as of this 14th day of October, 2014, by and among O.W.A., Inc., a Washington corporation ("Assignor"), and Old World Christmas, Inc., a Delaware corporation ("Assignee").

This Assignment is made pursuant to that certain Asset Purchase Agreement (the "Purchase Agreement"), dated as of the date hereof, by and among Assignor, Assignee, Timothy Merck, Elizabeth Merck, Jonathan T. Merck, the Jonathan T. Merck Trust and the Katherine E. Merck Trust, concerning the sale and purchase of substantially all of the assets of the Assignor. Capitalized terms used but not defined in this Assignment shall have the meanings ascribed to them in the Purchase Agreement.

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, and in further consideration of the mutual covenants and agreements contained in the Purchase Agreement, and pursuant to the terms of the Purchase Agreement, Assignor hereby sells, assigns, conveys, transfers and delivers to Assignee, its successors, legal representatives and assigns, the entire right, title and interest in and to the Seller Intellectual Property, in the United States and all countries throughout the world, including without limitation the trademark registrations, trademark applications, domain names, copyright registrations and copyright applications set forth on the Schedule hereto, together with any and all inventions described therein and any and all rights of recovery based on past and future infringement of the Seller Intellectual Property and the goodwill symbolized by the trademarks and service marks included in the Seller Intellectual Property, free and clear of all Encumbrances.

This Assignment is intended to evidence the consummation of the transactions contemplated by the Purchase Agreement and is subject to the terms and conditions set forth in the Purchase Agreement. Nothing contained in this Assignment shall be construed to supersede, limit, qualify or otherwise modify any provision of the Purchase Agreement. To the extent there is a conflict between the terms and provisions of this Assignment and the terms and provisions of the Purchase Agreement, the terms and provisions of the Purchase Agreement shall govern.

This Assignment shall be governed by the laws of the State of New York applicable therein without giving effect to any choice or conflict of law provision or rule (whether of the State of New York or any other jurisdiction) that would cause the application of laws of any jurisdiction other than those of the State of New York.

This Assignment may be executed in one or more counterparts, each of which shall be deemed an original but all of which together shall constitute one and the same instrument. This Assignment may be delivered by means of a facsimile machine or e-mail of a PDF file containing a copy of an executed agreement (or signature page thereto), and such delivery shall be treated in all respects and for all purposes as an original agreement or instrument and shall have the same binding legal effect as if it were the original signed version thereof.
