DECLARATION OF MARK P. BRIM
SUPPORTING CORRECTION OF ASSIGNMENT RECORDS

I, Mark P. Brim, do hereby declare and state as follows:

1. I am the President of Brim Laundry Machinery Co., Inc. ("Brim"), a corporation of the State of Texas, having its principal place of business at 2815 Barge Lane, Dallas, Texas 75212.
2. Brim has been and continues to be the owner and rightful assignee of the above Trademark Registration No. 2,659,583 ("Registration") since it purchased the rights in and to "Washex", including, the WASHEX & Design mark and Registration on December 15, 2010.
3. Washex, Inc. ("Washex"), the previous owner of the Registration, filed for bankruptcy in the U.S. Bankruptcy Court, District of Connecticut, Case No. 10-30156, on January 21, 2010. In its bankruptcy filings and schedules, Washex included "Washex" in its listing of intellectual property. *See attached Exhibit A.*
4. On or about September 28, 2010, Washex sold substantially all of its assets, including its intellectual property and the rights in and to "Washex" to GT Sales, Inc. d/b/a Investment Recovery Services ("IRS"). *See attached Exhibit B.* Thereafter, on or about December 15, 2010, Brim purchased all of Washex's intellectual property, including the rights to "Washex" and the Registration, from IRS at auction. *See Exhibit A.*
5. On December 28, 2011, Brim recorded the purchase documents from IRS to Brim with the USPTO at Reel/Frame 4688/0265 in order to facilitate an assignment of the Registration from to Brim. Brim also timely filed a renewal of the Registration on November 29, 2012.

- 6. Notwithstanding the valid purchase by, assignment to, and renewal of the Registration by Brim, Washex filed a Corrective Assignment with the USPTO at Reel/Frame 4937/0739 on December 11, 2012 in an attempt to improperly claim ownership of the Registration.
- 7. Consequently, Washex's Corrective Assignment recorded at Reel/Frame 4937/0739 is erroneous and improper and should not be considered credible or accurate, nor be given any deference, as Brim has been and continues to be the true, correct and current owner of "Washex" and the Registration.

The undersigned, being hereby warned that willful false statements and the like are punishable by fine or imprisonment, or both, under 18 U.S.C. § 1001, and that such willful and false statements and the like may jeopardize the validity of the registration, declares that he is properly authorized to execute this document on behalf of the owner; and that all statements made of his own knowledge are true and that all statements made on information and belief are believed to be true.

3. Sale of Assets "As Is"

a. Buyer has conducted its own independent review and analysis of the Assets. Buyer has conducted its own independent review of all orders of, and all motions, pleadings, and other submissions to, the Bankruptcy Court in connection with the Case. In entering into this Agreement, Buyer has relied solely upon its own investigation and analysis, and Buyer (i) acknowledges that neither Seller nor any of its affiliates or any third party makes or has made any representation or warranty, either express or implied, as to the accuracy or completeness of any of the information provided or made available to Buyer or its affiliates, except for the representations and warranties contained in this Agreement (which are subject to the limitations and restrictions contained in this Agreement); and (ii) agrees, to the fullest extent permitted by law, that none of Seller or its affiliates or any third party shall have any liability or responsibility whatsoever to Buyer or its affiliates on any basis (including, without limitation, in contract or tort, under federal or state securities laws or otherwise) based upon any information provided or made available, or statements made, to Buyer or its affiliates (or any omissions therefrom), except for Seller's representations and warranties contained in this Agreement and, with respect to such representations and warranties, subject to the limitations and restrictions contained in this Agreement. The Assets when sold to Buyer, shall be free and clear of all liens but are otherwise sold "AS IS, WHERE IS" and "WITH ALL FAULTS". NO WARRANTIES, EXPRESS OR IMPLIED, ARE GIVEN BY SELLER WITH RESPECT TO THE MISCELLANEOUS ASSETS, INCLUDING BUT NOT LIMITED TO, THE WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.

b. Seller acknowledges that certain of the Assets consist of titled motor vehicles. Seller agrees that it shall endorse each vehicle title (collectively the Titles) to Buyer as to the transferee and deliver such Titles to Buyer at the Closing, and shall provide any lien release documents as may be required to convey recordable title to such vehicles.

4. No Assumption of Liabilities; Indemnification. Buyer shall not assume and shall not in any manner become responsible or liable for, and Seller shall retain, all other debts, obligations or liabilities of Seller of any nature whatsoever, whether known or unknown, fixed, contingent or otherwise, including, without limitation, any debts, obligations, or other liabilities directly or indirectly arising out of or resulting from Seller's ownership or use of the Assets prior to the Closing. Buyer shall have no liability for any unpaid personal property taxes, other than any taxes that may be due under Section 2 c. of this Agreement, due any state or political

subdivision, such obligations being those solely of the Seller. Seller shall not assume and shall not in any manner become responsible or liable for, and Buyer shall retain, all other debts, obligations or liabilities of Buyer of any nature whatsoever, whether known or unknown, fixed, contingent or otherwise, including, without limitation, any debts, obligations, or other liabilities directly or indirectly arising out of or resulting from Buyer's access to and or use of the Premises and Assets after the Closing. Buyer agrees to hold harmless the Seller, its officers, directors and employees, for any injuries or damage arising from any activities associated with Buyer's access to the Premises and Assets as described in section 5 of this Agreement. Further, Buyer agrees to indemnify the Seller, its officers, directors and employees, from any claims brought by third parties against Seller, its officers, directors and employees, arising from or out of the Buyer's access to the Premises and Assets as described in section 5 of this Agreement, which are in any way attributable to any acts or omissions on the part of the Buyer.

5. Access to Premises. Buyer is entitled to access the Premises for the purpose of reselling, removing or disposing of the Assets at the Premises for a period not to exceed ninety days after the Closing. Seller will not charge rent to the Buyer, it will, however, charge Buyer, and Buyer agrees to pay Seller upon presentation of an invoice, for electricity to the extent that the electricity charge for each 30 day period exceeds the sum of \$3,500.00, exclusive of any demand charge or similar fee. Seller shall provide containers for trash and pay for their removal. Buyer may abandon some or all of the Assets and shall not be responsible for the removal of any hazardous materials of any kind, except as to clean-up of those hazardous materials that may have been brought to the Premises by Buyer. Buyer shall not be required to accept any Assets that contain hazardous materials, except fuel and other petroleum products contained in the Assets, or which requires any kind of remediation. The Buyer may abandon in a neat and orderly fashion any Assets at the expiration of the 90 day period of access. If any Assets are abandoned by the Buyer, title and ownership of such abandoned Assets shall revert to the Seller and become the property of the Seller and its estate. Buyer agrees to (i) vacate the Premises upon expiration of the 90 day period of access and (ii) leave the Premises in substantially the same condition that the Premises are in on the day of Closing, normal wear and tear excepted.

6. Insurance. Buyer represents and warrants that it maintains and will continue to maintain commercial general liability insurance in the amount of One Million Dollars (\$1,000,000.00). Said Insurance shall be payable on a "per occurrence" basis. The Buyer will name Seller as an additional insured covered under such policy and provide the Seller with proof of the insurance required under this Agreement, prior to Buyer exercising any rights under Section 5 of this Agreement. Wachovia Bank, N.A. shall be named as "loss payee" as its interest may appear.

7. Closing. Assuming that no stay has been entered related to the Sale Order, the Closing on the sale of Assets by Seller to Buyer shall take place as soon as practicable after entry of the Sale Order, and in no case later than 10 days after entry of the Sale Order, provided, however, that such date may be extended by up to ten (10) days by the Seller and the Buyer upon mutual agreement.

8. Condition Precedent. This Agreement and the related transactions are subject to and conditioned upon the following:

a. The entry of the Sale Order by the Court, in a form reasonably acceptable to Buyer, (i) vesting Seller with the authority to sell the Assets to Buyer free and clear of any and all liens, claims, interests and encumbrances pursuant to Section 363 of the Code, and (ii) finding that Buyer is a good faith purchaser entitled to the protections of section 363(m) of the Code. If an appeal of the Sale Order has been filed, no order shall have been entered staying the effect of the Sale Order or restraining or enjoining the Closing on the sale of the Assets.

b. Seller delivering to Buyer all of the properly executed titles and other conveyance documents.

9. **Termination.** This Agreement may be terminated:

a. By mutual written agreement of Seller and Buyer prior to the entry of the Sale Order;

b. By Buyer if any of the conditions set forth herein shall not have been waived by Buyer and shall have become incapable of fulfillment or cure because of, among other things, the failure of Seller to deliver the Titles at the Closing or the Buyer is prohibited from access to the Premises in accordance with the terms of this Agreement;

c. By Seller, if the Buyer shall have breached any of its representations, warranties, covenants or agreements contained in this Agreement, which breach cannot be or has not been cured within five (5) Business Days after the giving of written notice by the Seller to the Buyer specifying such breach.

10. **Effect of Termination.** In the event of termination of this Agreement as provided in Section 9, this Agreement shall forthwith become void and there shall be no liability on the part of either party; provided, however, that in the event this Agreement is terminated pursuant to Section 9.1(c) and Seller is not then in breach of Seller's obligations hereunder, Seller shall be entitled to retain the Deposit and all interest thereon to Seller as liquidated damages. In the event of termination of this Agreement for any reason other than pursuant to Section 9.1(c) and Buyer is not then in breach of Buyer's obligations hereunder, Buyer shall be entitled to return of the Deposit and all interest thereon.

11. **Governing law and Retention of Jurisdiction.** This Agreement shall be governed by and construed in accordance with the laws of the State of Texas.

12. **Entire Agreement.** This Agreement constitutes the entire agreement of Buyer and Seller regarding the subject matter of this Agreement. There are no other agreements, expressed or implied, between Buyer and Seller regarding the subject matter of this Agreement. This Agreement may only be modified by a writing signed by Buyer and Seller.

13. **Execution in Counterpart.** This agreement may be executed in any number of counterparts, each of which shall be deemed to be an original as against any party whose signature appears thereon, and all of which shall together constitute one and the same instrument. This Agreement may be transmitted by facsimile, electronic transmission, or other similar fashion

(with originals to follow), and such transmission shall be deemed to constitute acceptance of this Agreement as if an original signature was delivered to the other party.
