WHEREAS, Assignor, Assignee and certain other parties have entered into that certain Asset Purchase Agreement, dated as of May 5, 2014 (the "*Purchase Agreement*"), pursuant to which the Assignee has agreed to acquire all of the Assignor's right, title and interest in and to all of the trademarks, service marks, and trade names, together with the goodwill associated with and symbolized by them, as set forth in the Purchase Agreement, including, without limitation, those trademarks, service marks, and trade names listed in Exhibit A hereto (all such trademarks, service marks, and trade names referred to collectively as the "*Assigned Trademarks*").

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Assignor and the Assignee each hereby agree as follows:

1. Assignment. Assignor hereby assigns, transfers, conveys and delivers to the Assignee and its successors and assigns, and the Assignee hereby accepts from the Assignor, all of Assignor's right, title and interest in, to and under the Assigned Trademarks, including, without limitation, all common law trademarks for which no applications or registrations exist, all applications to register any of the Assigned Trademarks, and all registrations that have been or may be granted for any of the Assigned Trademarks, together with all common law rights associated with the applications and registrations, and all goodwill associated with the Assigned Trademarks and symbolized thereby, together with the right to sue and recover damages for future, present and past infringements of the Assigned Trademarks and to fully and entirely stand in the place of the Assignor in all matters related to the Assigned Trademarks.

2. Further Assurances.

a. The Assignor agrees to execute and deliver such other documents and to take all such other actions which the Assignee, its successors and/or assigns may reasonably request to effect the terms of this Assignment, and to execute and deliver any and all affidavits, testimonies, declarations, oaths, samples, exhibits, specimens and other documentation as may be reasonably required to effect the terms of this Assignment and its recordation in relevant state and national trademark offices.

b. Assignor grants the attorney of record the power to insert on this Assignment any further identification that may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office, or rules of other entities including but not limited to United States or foreign governments or patent offices, for recordation of this document.

c. Assignor represents that Assignor has the rights, titles, and interests to convey as set forth herein, and covenants with Assignee that the Assignor has not made and will not hereafter make any assignment, grant, mortgage, license, or other agreement affecting the right, title, and interest herein conveyed.

3. Miscellaneous. Capitalized terms used without definitions in this Assignment shall have the same meanings ascribed to such capitalized terms in the Purchase Agreement. This Assignment shall be construed and interpreted in accordance with the Purchase Agreement.
