A. Assignor is the owner of, the registered trademarks listed on Exhibit A (collectively the "Trademarks").

B. Pursuant to this Assignment, Assignor agrees to sell and assign its ownership of the Trademarks to Assignee, and the Parties now wish to memorialize their agreement hereby.

NOW, THEREFORE, incorporating the Recitals, and in consideration of the foregoing and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Parties agree as follows:

1. Purchase and Assignment. In consideration of the payment of One Thousand Five Hundred and 00/100 Dollars (\$1,500.00) and other good and valuable consideration from Assignee to Assignor, Assignor hereby irrevocably sells, assigns, grants, conveys, and transfers to Assignee all of Assignor's rights, title, and interest in and to the Trademarks as part of the entire business or portion thereof to which the Trademarks pertain as required by Section 10 of the Trademarks Act (15 USC § 1060), including, without limitation, the goodwill of the Assignor's business connected with the use of and symbolized by the Trademarks, all registration rights with respect to the Trademarks, free of all liens and monetary encumbrances, and all rights to damages or profits, due or to become due, accrued or to accrue, arising out of past, present, or future infringement of the Trademarks or injury to said goodwill, together with the right to sue or recover the same in the name of Assignor.

2. Representations and Warranties of Assignor. Assignor hereby represents and warrants that:

2.1 Organization, Standing, Authority, and Consents. Assignor has all necessary power and authority to own, use and transfer the Trademarks, execute and deliver this Assignment, and to comply with the provisions hereof and to consummate the transactions contemplated hereby. Assignor is a member managed limited liability company, the only members of which are Ian Jones and James Gherlone. Assignor has the right, power, legal capacity, and authority to enter into, and perform its obligations under, this Assignment, and no approvals or consents of any persons other than Assignor are necessary in connection with it.

2.3 Title to Assets. Assignor is the legal and beneficial owner of all right, title and interest in and to the Trademarks and has good and marketable title thereto. The Trademarks are free and clear of restrictions on or conditions to transfer or assignment, and free and clear of liens, pledges, charges, encumbrances, equities, claims, or restrictions.

2.4 Infringement. Assignor has no actual knowledge that the Trademarks infringe any valid right of any third party.

2.5 Employment Status. Assignor's members Ian Jones and James Gherlone are or soon shall become employees of Assignee pursuant to separate agreements between each such member of Assignor and Assignee. Assignor, and each of the aforementioned members thereof, by their execution of this Assignment, acknowledge and agree that in the event any member of Assignor ceases to be employed by Assignee, neither Assignor nor any of its members shall regain any rights in the Trademarks. The aforesaid members further agree and acknowledge that this Assignment is separate and independent from their offers of employment with Assignee and this Assignment is not a condition to their employment with Assignee, nor is their employment a condition to this Assignment.

2.6 Assignee's Ownership and Use of the Trademarks. Assignor acknowledges and agrees that upon the sale and assignment of the Trademarks to Assignee, the Trademarks shall become the sole property of Assignee, and that Assignee shall not be obligated to use the Trademarks, renew the Trademarks, or otherwise maintain the registration of the Trademarks. Assignor further acknowledges and agrees that it shall not be entitled to any additional compensation based upon Assignee's exploitation of the Trademarks, including, but not limited to, Assignee's sale or license of the Trademarks, or Assignee's use and/or registration of the Trademarks in connection with goods or services other than wine and sparkling wines.

4. Miscellaneous. The Parties hereby agree to execute such other documents and perform such other acts as may be necessary or desirable to carry out the purposes of this Assignment. This Assignment may be executed in counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.
