ASSIGNMENT OF TRADEMARKS

ASSIGNMENT made as of June 1, 2006, between **LE JACQ LTD.**, a Connecticut corporation ("LE JACQ"), and **CHF, INC.**, a Connecticut corporation ("CHF" and together with Le Jacq, each an "Assignor" and collectively, "Assignors") each with offices at 3 Parklands Drive, Darien, Connecticut and **BLACKWELL PUBLISHING LIMITED**, a company organized under the laws of the United Kingdom (registered company number 180277), with offices at 9600 Garsington Road, Oxford OX4 2DQ, Great Britain (the "Assignee").

WITNESSETH

WHEREAS, Assignors are the owners of the titles of Journals (the "Publishing Assets") a list of such Journals attached hereto as Schedule A, and the trade dress, the marks associated with the Publishing Assets listed on Schedule B attached hereto, and such other trademarks, trade names, service marks, logos, slogans, and designs used on or associated with the Publishing Assets, whether registered or Unregistered, throughout the world (collectively the "Trademarks"), in each case together with the good will of the Publishing Assets symbolized thereby, the right to recover for damages and profits for past infringements thereof, and all trademark registrations and trademark registrations and trademark applications therefor filed with or issued by any governmental agency;

WHEREAS, Assignee desires to acquire all of the rights, title, and interest that Assignors may have in and to the Trademarks, registered and unregistered, and any registrations or application for registrations therefor, together with the goodwill of the business in connection with which the trademarks are used and which is symbolized by the Trademarks, and the right to recover damages and profits for past infringements thereof.

NOW, THEREFORE, in consideration of the sums paid by Assignee to Assignors under the Asset Purchase Agreement dated as of June 1, 2006 (the "Purchase Agreement") by an among Assignors, Blackwell Publishing, Inc., a Delaware corporation, and Assignee and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignors hereby assign unto Assignee and its legal representatives, successors, and assigns, all of Assignors' rights, title, and interest in and to the Trademarks, registered and unregistered, and any registrations and applications for registration thereof, for the United States and throughout the world together with the goodwill of the business in connection with the Trademarks are used and which is symbolized by the Trademarks and the right to recover damages profits for past infringements thereof.

Assignors shall, upon the request of Assignee, execute and deliver all papers, instruments and assignments, and perform any other reasonable acts Assignee may require in order to vest all Assignors' rights, title, and interest in and to the Trademarks in the Assignee and/or to provide evidence to support any of the foregoing in the event such evidence is deemed necessary by the Assignee, to the extent such evidence is in the possession or control of the Assignors.

Capitalized terms used herein and not otherwise defined shall have the meanings ascribed thereto in the Purchase Agreement.
