ASSIGNMENT OF INTELLECTUAL PROPERTY RIGHTS

THIS ASSIGNMENT OF INTELLECTUAL PROPERTY RIGHTS (this "Assignment") is made as of March 31, 2015, by Educational Growth Partners LLC ("Assignor"), predecessor to Modern Teacher LLC, an Illinois limited liability company (the "Company" or "Assignee"), to Assignee. Capitalized terms used but not defined herein shall be as defined in the Asset Contribution Agreement (as defined below).

RECITALS

The Company is party to that certain Asset Contribution Agreement, dated as of the date hereof (the "Purchase Agreement"), pursuant to which the Company and digedu Enterprises, LLC, an Illinois limited liability company ("Digedu") have agreed that Assignor shall distribute, assign, transfer and convey to Assignee, and then subsequently to Digedu, the Assets, including without limitation, the trademarks and domain names listed on Schedule A, annexed hereto and incorporated herein by reference (the "Intellectual Property").

In accordance therewith, Assignor desires to transfer and assign to the Company, and the Company desires to accept the transfer and assignment of, all of Assignor's right, title and interest in, to and under the Intellectual Property.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby mutually acknowledged, the parties hereto, intending to be legally bound, hereby agree as follows:

1. Transfer. Assignor, for and in exchange for good and valuable consideration, does hereby transfer, grant, convey, assign, and relinquish exclusively to the Company all of Assignor's right, title, and interest in and to the Intellectual Property, and the Company hereby accepts the transfer and assignment of, all of Assignor's right, title and interest in and to the Intellectual Property, together with the goodwill of the business associated therewith, all rights to sue for infringement of any of the Intellectual Property, and any and all renewals and extensions thereof that may hereafter be secured under the laws now or hereafter in effect in the United States and in any other jurisdiction, the same to be held and enjoyed by the Company, its successors and assigns from and after the date hereof as fully and entirely as the same would have been held and enjoyed by the Assignor, had this Assignment not been made.

2. Further Assurances. Assignor shall execute and deliver, from time to time after the date hereof upon the request of the Company, such further conveyance instruments, and take such further actions as may be reasonably necessary to evidence more fully the transfer of ownership of the Intellectual Property to the Company at no cost to Assignor. Assignor therefore agrees to:

(a) execute, acknowledge, and deliver any affidavits or documents reasonably necessary to evidence the assignment and conveyance of the Intellectual Property;

(b) provide testimony (after reimbursement for out-of-pocket expenses) in connection with any proceeding affecting the right, title, interest, or benefit of the Company's interests in the Intellectual Property; and

(c) perform any other acts reasonably necessary to carry out the intent of this Assignment.

3. Acknowledgment of Rights. In furtherance of this Assignment, Assignor hereby acknowledges that, from this date forward, the Company has succeeded to all of Assignor's right, title, and standing to:

(a) receive all rights and benefits pertaining to the Intellectual Property;

(b) institute and prosecute all suits and proceedings, and take all actions that the Company, in its sole discretion, may deem necessary or proper to collect, assert, or enforce any claim, right, or title of any kind in and to any and all of the Intellectual Property; and

(c) defend and compromise any and all such actions, suits, or proceedings relating to such transferred and assigned rights, title, interest, and benefits, and do all other such acts and things in relation thereto as the Company, in its sole discretion, deems advisable.

4. Governing Law. This Assignment shall be governed in all respects by the substantive laws of the State of Illinois, without regard to choice of law principles.

5. Binding Nature. This Assignment shall be binding upon and inure to the benefit of the parties hereto, together with their respective successors and assigns.

6. Counterparts. This Assignment may be executed in one or more counterparts (which may include counterparts delivered by facsimile or other electronic means), each of which shall be deemed an original but all of which together shall constitute one and the same instrument.

7. Entire Agreement. This Assignment is intended to effectuate the terms of the Purchase Agreement and in the event of any inconsistency, ambiguity or conflict between the terms herein and the Purchase Agreement, the terms of the Purchase Agreement shall prevail.
