TRADEMARK ASSIGNMENT

THIS TRADEMARK ASSIGNMENT (the "Assignment"), effective as of May 6, 2015 (the "Effective Date"), is made by and between NATIONAL SERVICE GROUP, INC., a Wyoming corporation located at 1712 Pioneer Avenue, Ste. 100, Cheyenne, Wyoming, 82001, LLB GROUP, INC., a Washington corporation located at 1167 Mercer Street, Seattle, Washington, 98109 ("Assignors"), and WATER DAMAGE INTERNATIONAL, LLC, a Delaware limited liability company ("Assignee").

RECITALS:

- A. Assignors are the owner of record of the Trademarks listed on Schedule A (the "Trademarks").
- B. Assignee desires to acquire all of Assignors' entire right, title and interest in and to the Trademarks, together with whatever goodwill is associated with the Trademarks.
- C. Assignors desire to transfer to Assignee all of Assignors' rights, title and interest in and to the Trademarks.

AGREEMENTS:

NOW, THEREFORE, in exchange for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged:

1. Assignors hereby sell, assign, transfer, convey and set over unto Assignee, effective as of the Effective Date, all of Assignors' rights, title and interest in and to the Trademarks, together with all other goodwill associated with the Trademarks, including, but not limited to, any and all rights to register and to renew the Trademarks, together with all rights to sue and recover for past, present and future infringement thereof, to have and to hold forever for the sole and exclusive use and benefit of Assignee.
2. As a result of this Assignment, the Trademarks are to be held and enjoyed by Assignee for its own use and enjoyment and the use and enjoyment of its successors, assigns and legal representatives, as fully and entirely as the same would have been held and enjoyed by Assignors if this assignment, sale, conveyance and transfer had not been made.
3. Assignors further covenant and agree that they shall, at any time, upon Assignee's request, testify in any legal proceeding, execute and deliver any agreement, document, certificate or instrument and generally do all that is possible or that may be necessary or desirable to perfect the title to the Trademarks in Assignee, its successors, assigns or other legal representatives.
4. If applicable, Assignors hereby authorize and request the United States Patent and Trademarks Office, and the corresponding entities or agencies in any applicable foreign countries, to record Assignee as owner of each of the Trademarks.
5. This Assignment, that certain Asset Purchase Agreement, dated as of the Effective Date, by and among Assignors, Assignees and the other parties named therein (the "Purchase Agreement"), and the Ancillary Agreements (as defined in the Purchase Agreement) constitute the entire understanding between the parties with respect to the subject matter of this Assignment and supersede any prior discussions, negotiations, agreements and understandings.

6. This Assignment shall be governed and controlled in all respects by the laws of the State of Washington, including interpretation, enforceability, validity and construction, without regard to any conflict of law provisions.

7. This Assignment may be executed in one or more counterparts, each of which will be deemed an original agreement, but all of which will be considered one instrument and will become a binding agreement when one or more counterparts have been signed by each of the parties and delivered to the other. A facsimile of this document bearing a party's signature or a printed copy of the original, signed document scanned in .pdf or .tiff format shall have the same legal force and effect as an original of such signature and shall be treated as an original document for evidentiary purposes.

8. The parties represent that they have carefully read this Assignment and have had an opportunity to consult with an attorney. The parties affirmatively state that they understand the contents of this Assignment, and sign this Assignment as their free act and deed.

[Signatures on the following page]

IN WITNESS WHEREOF, the parties have caused this Assignment to be executed through their duly authorized and empowered representatives as of the date set forth above.
