**RECORDABLE TRADEMARK SECURITY AGREEMENT**

This TRADEMARK SECURITY AGREEMENT (this "Trademark Security Agreement") is made this 1st day of June, 2015, by and among ECKey Corporation, a Delaware corporation ("Borrower") and TOUCHPOINT, INC., a Pennsylvania corporation, ("Lender") under the Note and Security Agreement dated June 1, 2015. All capitalized terms used but not otherwise defined herein have the meanings given to them in the Note and Security Agreement.

WITNESSETH:

WHEREAS, pursuant to that certain Note and Security Agreement, dated as of June 1, 2015 (as amended, restated, supplemented or otherwise modified from time to time, the "Note and Security Agreement"), by and among Borrower, as borrower and Lender, as lender, has agreed to make certain financial accommodations available to Borrower from time to time pursuant to the terms and conditions thereof;

WHEREAS, Lender is willing to make the financial accommodations to Borrower as provided for in the Note and Security Agreement, but only upon the condition, among others, that Borrower shall have executed and delivered to Agent, for the benefit of Lender, this Trademark Security Agreement, dated as of the date hereof (including all annexes, exhibits or schedules thereto, as from time to time amended, restated, supplemented or otherwise modified); and

WHEREAS, pursuant to the Note and Security Agreement, Borrower is required to execute and deliver to Lender, this Trademark Security Agreement.

NOW, THEREFORE, in consideration of the premises and mutual covenants herein contained and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Borrower and Lender hereby agree as follows:

1. GRANT OF SECURITY INTEREST IN TRADEMARK COLLATERAL. In furtherance of the Note and Security Agreement, Borrower hereby grants to Lender a continuing security interest in all of its right, title, and interest in all of its currently existing and hereafter acquired or arising in the Trademark Collateral (defined below), to secure prompt repayment of any and all of the Obligations in accordance with the terms and conditions of the Loan Documents and to secure prompt performance by Borrower of each of its covenants and duties under the Loan Documents (the "Security Interest"). "Trademark Collateral" means the trademark registrations and applications for trademark registrations on Schedule I and all renewals or extensions of the foregoing, including the goodwill embodied therein.

2. NOTE AND SECURITY AGREEMENT. The Security Interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interests granted to the Lender, pursuant to the Note and Security Agreement. Borrower hereby acknowledges and affirms that the rights and remedies of the Lender with respect to the Security Interest in the Trademark Collateral made and granted hereby are more fully set forth in the Note and Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. To the extent there is any inconsistency between this Trademark Security Agreement and the Note and Security Agreement, the Note and Security Agreement shall control.

3. GENERAL PROVISIONS. This Trademark Security Agreement incorporates by reference, and is governed by, the terms of Sections 9 (Notices), 10 (Choice of Law, Venue and Jury Trial Waiver) and 11 (General Provisions) of the Note and Security Agreement.

4. COUNTERPARTS. This Trademark Security Agreement may be executed in any number of counterparts and by different parties on separate counterparts, each of which, when executed and delivered, are an original, and all taken together, are one Agreement.

[signature page follows]

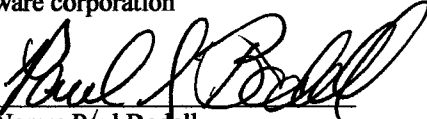

6/01/2015

IN WITNESS WHEREOF, Borrower and Lender have caused this Trademark Security Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.
