## TRADEMARK ASSIGNMENT

**THIS TRADEMARK ASSIGNMENT** (this “Trademark Assignment”) is made, entered into and effective as of August 14, 2013, by and between **REED EXHIBITIONS AMERICAS**, a division of **REED ELSEVIER INC.**, a Massachusetts corporation having its principal place of business at 383 Main Avenue, Norwalk, CT 06851 (the “Assignor”), in favor of **URBAN EXPOSITION, LLC**, a Delaware limited liability company having its principal place of business at 1690 Roberts Blvd., Suite 111, Kennesaw, Georgia 30144 (the “Assignee”). All capitalized terms used herein and not otherwise defined shall have the meanings ascribed to them in that certain Asset Purchase Agreement of even date herewith (the “Purchase Agreement”) by and between the Assignor and the Assignee. The Assignor and the Assignee are each hereinafter sometimes individually referred to as a “Party” and, collectively, as the “Parties.”

### RECITALS:

**WHEREAS**, Assignor is the sole and exclusive owner of the United States trademark registrations described on **Schedule 1** attached hereto; and

**WHEREAS**, pursuant to the Purchase Agreement, the Assignor has agreed to assign to the Assignee all of its right, title and interest in, and to execute this Trademark Assignment to enable Assignee to record the assignment of (i) the trademarks, service marks and trademark and service mark applications, and (ii) all divisions, reissues, reexaminations, substitutions, continuations, continuations-in-part, and extensions of the trademarks, service marks and trademark and service mark applications, in each case listed on **Schedule 1** hereto (collectively, the “Assigned Marks”).

**NOW, THEREFORE**, in consideration of the foregoing and the respective representations, warranties, covenants, agreements and conditions set forth herein, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and intending to be legally bound hereby, the Parties hereby agree as follows:

1. **Assignment**. The Assignor hereby conveys, transfers and assigns to the Assignee any and all legal and beneficial right, title and interest of the Assignor in and to the Assigned Marks to hold unto Assignee absolutely and in perpetuity (or for the longest period of time otherwise permitted by law), together with all related common-law rights and all goodwill associated therewith and all causes of action and rights to sue and recover (for the sole use and benefit of the Assignee and its successors, assigns or other legal representatives) damages for past, present and future infringement, misappropriation, dilution or other violation thereof or damage thereto, in each case free and clear of all mortgages, pledges, security interests, liens, reservations and contract rights of third parties. The Assignee is to hold all right, title and interest in and to the Assigned Marks as fully and exclusively as it would have been held and enjoyed by the Assignor had the assignment in **Section 1** not been made.

2. **Authorization**. For those Assigned Marks that are registered with the United States Patent and Trademark Office, Assignor hereby authorizes the United States Patent and Trademark Office to transfer registration of the Assigned Marks to Assignee, including any renewals thereof, and to issue to Assignee all rights, title and interest thereto.

3. **Ownership**. Assignor does hereby covenant and warrant that it has full right to convey the Assigned Marks and registrations herein conveyed, transferred and assigned, free and clear of all mortgages, pledges, security interests and liens.

4. **Further Assurances.** Each Party shall, from time to time and at all times hereafter, upon the request of the other Party hereto, do, execute, acknowledge and deliver or cause to be done, executed, acknowledged and delivered all such further acts, deeds, assignments, transfers, conveyances, powers of attorney and assurances as may be required to carry out the intent of the Purchase Agreement and this Trademark Assignment. Without limiting the foregoing, the Assignor agrees, without additional consideration, to take such further actions and to execute any powers of attorney, applications, assignments, declarations, affidavits and other papers necessary or desirable to transfer, vest, record and perfect good, valid and marketable title in the Assigned Marks to the Assignee.

5. **Entire Agreement.** This Trademark Assignment and the Purchase Agreement (a) constitute the entire agreement among the Parties with respect to the subject matter hereof and thereof and supersede all other prior agreements and understandings, both written and oral, between the Parties or any of them with respect to the subject matter hereof and thereof, and (b) shall not be assigned by any Party without the written consent of the other Party hereto.

6. **Successors and Assigns.** This Trademark Assignment shall be binding upon and inure solely to the benefit of each Party and its successors and permitted assigns, and nothing in this Trademark Assignment, express or implied, is intended to or shall confer upon any other Person any rights, benefits or remedies of any nature whatsoever under or by reason of this Trademark Assignment.

7. **Governing Law.** All matters relating to or arising out of this Trademark Assignment or the transactions contemplated hereby or thereby (whether sounding in contract, tort, or otherwise) will be governed by and construed in accordance with the laws of the State of Delaware, excluding to the maximum extent permitted by law all conflict of law provisions thereof, and the obligations, rights and remedies of the Parties shall be determined in accordance with such laws.

8. **Execution of this Trademark Assignment.** This Trademark Assignment may be executed in multiple counterparts, each of which shall be deemed to be an original, but all of which shall constitute one and the same agreement. The exchange of copies of this Trademark Assignment (and any certificate or other agreement contemplated hereby) and of signature pages by electronic transmission shall constitute effective execution and delivery of this Trademark Assignment (and such certificates or other agreements) by the Parties (provided that receipt is confirmed by reply email). Signatures of the Parties transmitted by electronic transmission shall be deemed to be their original signatures for all purposes.
