**TRADEMARK ASSIGNMENT**

This Trademark Assignment (“Trademark Assignment”) is made and entered into as of June 17, 2015, by and between GGW, Inc. (f/k/a Beacon Partners, Inc.), a Massachusetts corporation (“Assignor”) and KPMG LLP, a Delaware limited liability partnership (“Assignee”). Assignor and Assignee are collectively referred to herein as the “Parties”.

WHEREAS, pursuant to that certain Asset Purchase Agreement, entered into as of March 26, 2015 (the “Purchase Agreement”), by and among Mr. Ralph P. Fagnoli, Jr., Assignor, and Assignee, Assignor has assigned to Assignee all right, title and interest in, to the trademarks listed on the attached Schedule 1, and all goodwill of any business associated and connected therewith or symbolized thereby (collectively referred to as the “Trademarks”); and

WHEREAS, Parties wish to record the acquisition of the Trademarks in the U.S. Patent and Trademark Office; and

WHEREAS, pursuant to the Purchase Agreement, Assignee has become the successor of a portion of the business to which the Trademarks pertain and such business is ongoing and existing.

NOW, THEREFORE, for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor, as beneficial owner, does hereby sell, assign, transfer, and convey to Assignee all of its right, title and interest in and to (i) the Trademarks set forth in Schedule 1 hereto, together with the goodwill of the business symbolized thereby; (ii) all renewals and extensions of any such application, registration and filing; (iii) all licenses for the use of the Trademarks; (iv) all income, royalties, damages, claims, and payments now or hereafter due or payable under and with respect thereto, including, without limitation, damages, claims, and payments for past and future infringements thereof; (v) all rights to sue for past, present, and future infringements of the foregoing, including the right to settle suits involving claims and demands for royalties owing; (vi) all rights corresponding to any of the foregoing throughout the world; and (vii) the right to assign the rights conveyed herein, the same to be held and enjoyed by Assignee for its own use and benefit, and for the benefit of its successors, assigns, and legal representatives.

Assignor does further consent to the recordation of this Trademark Assignment by Assignee with the Commissioner of Trademarks of the U.S. Patent and Trademark Office.

Notwithstanding anything to the contrary contained herein, the Trademarks shall not include any trademark application that would be deemed invalidated, canceled or abandoned due to the contribution, assignment and/or conveyance of the Trademarks hereunder, including without limitation all United States trademark applications that are based on an intent-to-use, unless and until such time that the contribution, assignment and/or conveyance will not cause the invalidation, cancellation or abandonment of such trademark application.

This Trademark Assignment is subject to all the terms and conditions of the Agreement. The Parties intend that this Trademark Assignment is for recordation purposes only and its terms shall not modify the applicable terms and conditions of the Agreement, which govern the Parties’ rights and interests in the Trademarks.
