This NOTICE OF GRANT OF SECURITY INTEREST IN TRADEMARKS, dated as of June 26, 2015 (as amended, amended and restated, supplemented or otherwise modified from time to time in accordance with the provisions hereof, this "Trademark Grant") among FTI CONSULTING TECHNOLOGY SOFTWARE CORP, FTI CONSULTING (SC) INC., FTI CONSULTING, INC., FTI CONSULTING TECHNOLOGY LLC AND COMPASS LEXECON LLC (each, a "Grantor" and collectively, the "Grantors"), in favor of BANK OF AMERICA, N.A., as administrative agent (in such capacity, the "Administrative Agent") for the holders of the Secured Obligations (as defined in the Security Agreement defined below).

WHEREAS, FTI Consulting, Inc., a Maryland corporation (the "Borrower"), has, in connection with the execution and delivery of the Security Agreement, entered into that certain Credit Agreement (as amended, modified, supplemented and extended from time to time, the "Credit Agreement") dated as of June 26, 2015, among the Borrower, the Guarantors identified therein, the Lenders identified therein, JPMorgan Chase Bank, N.A., as L/C Issuer, and Bank of America, N.A., as Administrative Agent, Collateral Agent, L/C Issuer and Swing Line Lender;

WHEREAS, the Grantors are party to a Security Agreement of even date herewith (as amended and restated, supplemented or otherwise modified from time to time, the "Security Agreement") in favor of the Administrative Agent pursuant to which the Grantors are required to execute and deliver this Trademark Grant;

WHEREAS, under the terms of the Security Agreement, as collateral security for the payment in full of all the Secured Obligations, each Grantor pledged and granted to the Administrative Agent for the benefit of the holders of the Secured Obligations, a lien on and security interest in all of the right, title and interest of such Grantor in, to and under certain property, including the Trademark Collateral.

NOW THEREFORE, in consideration of the foregoing premises and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Grantor hereby agrees as follows:

SECTION 1. Definitions. Capitalized terms used herein and not otherwise defined herein are used herein as defined in the Security Agreement.

SECTION 2. Grant of Security. To secure the prompt payment and performance in full when due, whether by lapse of time, acceleration, mandatory prepayment or otherwise, of the Secured Obligations, each Grantor hereby grants to the Administrative Agent, for the benefit of the holders of the Secured Obligations, a continuing security interest in, and a right to set off against, any and all right, title and interest of such Grantor in and to all of the following, whether now owned or existing or owned, acquired, or arising hereafter (other than (i) any Trademark applications filed in the United States Patent and Trademark Office on the basis of such Grantor's "intent-to-use" such trademark, unless and until acceptable evidence of use of the Trademark has been filed with the United States Patent and Trademark Office pursuant to Section 1(c) or Section 1(d) of the Lanham Act (15 U.S.C. 1051, et seq.), (x) except to the extent there is a change in law such that granting a lien in such Trademark application prior to such filing would not adversely affect the enforceability or validity of such Trademark application; and (y) provided that any such Trademark applications shall automatically be included in the Collateral upon the filing of acceptable evidence of use of such Trademark, and (ii) any intellectual property or license, including without limitation, intent-to-use trademark applications as provided in (i) above, for which the creation by a Grantor of a security interest therein is prohibited without the consent of a third party (to the extent such consent is not obtained) or by law (other than to the extent that any restriction on such

assignment would be rendered ineffective pursuant to Sections 9-406, 9-407, 9-408 or 9-409 of the UCC (or any successor provision or provisions) or any relevant jurisdiction or any other applicable law)) (collectively, the "Trademark Collateral"):

- (a) all Trademarks of such Grantor, including those listed in Schedule A hereto;
- (b) all Trademark Licenses of such Grantor; and
- (c) to the extent not otherwise included, all Accessions and all Proceeds of any and all of the foregoing (other than Excluded Property).

SECTION 3. Security for Obligations. The grant of a lien on and security interest in, the Trademark Collateral by each Grantor under this Trademark Grant secures the payment in full and performance of all the Secured Obligations of such Grantor now or hereafter existing under or in respect of the Loan Documents.

SECTION 4. Recordation. Each Grantor authorizes and requests that the Commissioner of Trademarks and any other applicable government officer record this Trademark Grant in the United States Patent and Trademark Office, or other applicable government office or registrar.

SECTION 5. Execution in Counterparts. This Trademark Grant may be executed in any number of counterparts, each of which when so executed and delivered shall constitute an original, but all of which shall constitute a single contract. It shall not be necessary in making proof of this Trademark Grant to produce or account for more than one such counterpart. Delivery of an executed counterpart of a signature page of this Trademark Grant by telecopy or other electronic imaging means shall be effective as delivery of a manually executed counterpart of this Trademark Grant.

SECTION 6. Grants, Rights and Remedies. This Trademark Grant has been entered into in conjunction with the provisions of the Security Agreement. Each Grantor does hereby acknowledge and confirm that the grant of the security interest hereunder to, and the rights and remedies of, the Administrative Agent with respect to the Trademark Collateral are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated herein by reference as if fully set forth herein.

SECTION 7. Termination. When all the Secured Obligations have been paid in full and the Commitments of the Lenders to make any Loan or to issue any Letter of Credit under the Credit Agreement shall have expired or been sooner terminated and all Letters of Credit have been terminated or cash collateralized in accordance with the provisions of the Credit Agreement this Trademark Grant shall terminate. Upon termination of this Trademark Grant, the Trademark Collateral shall be released from lien and security interest pledged and granted herein.
