TRADEMARK ASSIGNMENT

THIS TRADEMARK ASSIGNMENT (this "*Assignment*") dated as of August 3, 2009 (the "*Effective Date*"), is made by and between Eaton Corporation, an Ohio corporation ("*Assignor*"), and Advanced Ground Systems Engineering LLC, a California limited liability company ("*Assignee*").

WHEREAS, Eaton Aeroquip LLC ("*EA*") and Assignee are parties to that certain Asset Purchase Agreement, dated as of July 7, 2009 ("*Purchase Agreement*"), pursuant to which Assignor has agreed to sell and Assignee has agreed to buy certain of the assets, properties, rights and interests relating to the Business (as defined in the Purchase Agreement);

WHEREAS, Assignor owns all of the equity interests in EA; and

WHEREAS, Assignee wishes to acquire and Assignor wishes to assign all of its right, title and interest in and to, the Stanley Aviation trade mark and the Stanley Aviation trade name, in each case to the extent exclusively related to the Business, and any and all trademark applications or registrations related thereto in the United States or any other jurisdiction (including the United States trademark applications identified on Schedule A) (collectively, the "*Trademarks*").

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

Assignor hereby sells, assigns and transfers to Assignee all of Assignor's right, title and interest in, to and under the Trademarks, together with the goodwill of the Business associated therewith, and all income, royalties or payments due or payable thereon as of the Closing Date or thereafter, including, without limitation, any such payments resulting from past, present or future infringement or other unauthorized use of the Trademarks, together with the right to sue for and collect the same.

Assignor requests that the Commissioner of Patents and Trademarks record Assignee as the assignee and owner of the Trademarks.

Except to the extent that federal law preempts state law with respect to the matters covered hereby, this Assignment shall be governed by and construed in accordance with the laws of the State of Ohio without giving effect to the principles of conflicts of laws thereof.

This Assignment may be executed in any number of counterparts, each of which shall be deemed to be an original, and all of which together shall constitute one and the same instrument.

(Signatures are on the following page.)
