RELEASE OF SECURITY INTEREST
IN TRADEMARKS

This RELEASE OF SECURITY INTEREST IN TRADEMARKS (the “Release”), dated as of August 5, 2015, is made by and among PROSPECT CAPITAL CORPORATION, as the Administrative Agent for itself and the other Secured Parties (as that term is defined in the Credit Agreement defined below) (in such capacity, together with its successors and assigns, the “Administrative Agent”), and CROSMAN CORPORATION, a Delaware corporation (“Grantor”). Capitalized terms used but not otherwise defined herein shall have the meanings given to them in the Credit Agreement or the Trademark Security Agreement (as those terms are defined below).

WHEREAS, the Administrative Agent and the Grantor are parties to a Second Lien Credit Agreement dated as of December 30, 2013 (the “Credit Agreement”);

WHEREAS, the Administrative Agent and the Grantor are parties to a Trademark Security Agreement dated as of December 30, 2013, recorded with the United States Patent and Trademark Office (“USPTO”) at Trademark Reel 5185, Frame 0297 (the “Trademark Security Agreement”);

WHEREAS, pursuant to the Trademark Security Agreement, the Grantor pledged to the Administrative Agent, for the ratable benefit of the Lenders, a security interest (referred to in this Release as the “Security Interest”) in the Grantor’s present and future right, title and interest in and to (collectively, the “Trademark Collateral”):

(i) all state (including common law), federal and foreign trademarks, service marks and trade names, and applications for registration of such trademarks, service marks and trade names (but excluding any application to register any trademark, service mark or other mark prior to the filing under applicable law of a verified statement of use (or the equivalent) for such trademark, service mark or other mark to the extent the creation of a security interest therein or the grant of a mortgage thereon would void or invalidate such trademark, service mark or other mark), all licenses relating to any of the foregoing and all income and royalties with respect to any licenses (including such marks, names and applications as described in Schedule A), whether registered or unregistered and wherever registered, all rights to sue for past, present or future infringement or unconsented use thereof, all rights arising therefrom and pertaining thereto and all reissues, extensions and renewals thereof;

(ii) the entire goodwill of or associated with the businesses now or hereafter conducted by Grantor connected with and symbolized by any of the aforementioned properties and assets;

(iii) all general intangibles and all intangible intellectual or other similar property of Grantor of any kind or nature, associated with or arising out of any of the aforementioned properties and assets and not otherwise described above; and

(iv) all proceeds of any and all of the foregoing (including license royalties, rights to payment, accounts receivable and proceeds of infringement suits) and, to the extent not otherwise included, all payments under insurance (whether or not the Administrative Agent is the loss payee thereof) or any indemnity, warranty or guaranty payable by reason of loss or damage to or otherwise with respect to the foregoing.

WHEREAS, the Loans have been paid and performed in full and the Administrative Agent has agreed to terminate and release all of its and the Lenders' right, title and interest in or to the Trademark Collateral, including the Security Interest.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged:

1. Release of Lien. The Administrative Agent, on behalf of itself and the Lenders, hereby terminates, extinguishes, cancels, releases and discharges any and all right, title and interest, including the Security Interest, in and to the Trademark Collateral arising in connection with the Credit Agreement, the Security Agreement, or the Trademark Security Agreement and assigns, discharges, quit claims and relinquishes unto Grantor (in each case without recourse and without any representation or warranty) any and all right, title and interest it has in and to the Trademark Collateral.

2. Further Assurances. The Administrative Agent hereby authorizes Grantor or Grantor's authorized representative to (i) record this Release with the USPTO and any relevant foreign trademark offices, (ii) file UCC financing statement amendments with the applicable filing office in order to memorialize the release of the Security Interest in and to the Trademark Collateral and/or (iii) otherwise record or file this Release in the applicable governmental office or agency. The Administrative Agent further agrees to execute and deliver to the Grantor any and all further documents and instruments, and do any and all further acts which the Grantor (or its agents or designees) reasonably request, at the Grantor's sole cost and expense, in order to confirm this Release and the Grantor's right, title and interest in and to the Trademark Collateral.

3. Governing Law. This Release shall be construed in accordance with and governed by the laws of the State of New York.

[Signature page follows]

IN WITNESS WHEREOF, the Administrative Agent has caused this Release to be executed and delivered by its duly authorized officer as of the date first above written.
