IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

Registrant: Blackhawk Modifications, Inc.
Serial Number: 77339633
Registration Number: 3645536

ELECTRONIC TRADEMARK ASSIGNMENT ATTACHMENT

Registrant submits the following remarks as an attachment to Registrant's Electronic Trademark Assignment submission.

I. REMARKS

Registrant has changed its name from **BLACKHAWK MODIFICATIONS, INC (NEVADA CORPORATION)** to **BLACKHAWK MODIFICATIONS, INC (TEXAS CORPORATION)**. Trademark Office records do not show clear chain of title in the party who has filed the Combined Affidavit. Pursuant to Trademark Office requirements, the filer of the Combined Affidavit must clarify its name and ownership of the registration by recording this clarification with the Assignment Services Branch.

For the reasons set forth below, Registrant respectfully requests Trademark records be updated to reflect Registrant's clarification of its name and ownership of the registration.

The original filing date for the mark was November 29, 2007. At the time of filing, Registrant's name was shown as **BLACKHAWK MODIFICATIONS, INC (NEVADA CORPORATION)** ("*Nevada Corporation*"). Nevada Corporation was originally incorporated through the Secretary of State for the State of Nevada. Subsequent to filing the mark in 2007, Nevada Corporation determined it was in the best interest of the corporation to convert to a Texas corporation. Nevada Corporation created

a Plan of Conversion on April 22, 2008, as shown in the attached Exhibit "A," incorporated herein for all purposes. This Plan of Conversion was adopted and approved by the board of directors and shareholders of Nevada Corporation, pursuant to Chapter 92A of the Revised Nevada Statutes (the "*RNS*") and Chapter 10, subchapter C, of the Texas Business Organizations Code (the "*TBOC*"). TBOC § 10.106 provides the general effect of a conversion in Texas and is attached as Exhibit "B," incorporated herein for all purposes. All rights, title, and interests to all property owned by the converting entity continues to be owned...by the converted entity in the new organizational form without reversion or impairment, further act or deed, or any transfer or assignment having occurred. TBOC § 10.106(2). RNS § 92A.250(3) provides the general effect of a conversion for a Nevada entity and is attached as Exhibit "C," incorporated herein for all purposes. When a conversion takes effect...the title to all real estate and other property owned by the constituent entity is vested in the resulting entity without reversion or impairment. RNS § 92A.250(3)(c).

Pursuant to the Plan of Conversion, Nevada Corporation was converted into Blackhawk Modifications, Inc., a Texas corporation ("*Texas Corporation*"). By operation of the Plan of Conversion, Texas law under the TBOC, and Nevada law under the RNS, all property owned by Nevada Corporation became property owned by Texas Corporation once the conversion was completed. The Nevada Secretary of State provided an acknowledgement of all required filings on May 8, 2008 and is attached as Exhibit "D," incorporated herein for all purposes.

Because Nevada Corporation converted to Texas Corporation, it was necessary and appropriate to file Registrant's Sections 8 & 15 Combined Affidavit as

BLACKHAWK MODIFICATIONS, INC (TEXAS CORPORATION) to reflect the current name and location of Registrant. The Certificate of Fact from the Texas Office of the Secretary of State is attached as Exhibit "E," incorporated herein for all purposes, and certifies that the Certificate of Conversion was filed on April 24, 2008 and that Texas Corporation is in existence.

As required, Registrant has provided clarification as to its name and ownership of the registration. Registrant has chosen to submit actual evidence of ownership directly to the Trademark Office's Assignment Services Branch and has provided copies of the actual documents. Additionally, Registrant has provided associated Texas and Nevada statutes that address the continued ownership of corporate property subject to a conversion.

Based on the above remarks, Registrant respectfully requests Trademark records be updated to reflect Registrant's clarification of its name and ownership of the registration.

Respectfully submitted,

Blackhawk Modifications, Inc.

6. The certificate of formation of the converted entity is attached hereto as Exhibit "B".
7. The conversion will be effective as of the filing of a corresponding certificate of conversion with the Secretary of State of Texas under section 10.155(a) of the BOC, and with the Secretary of State of Nevada under NRS section 92A.205.
8. In accordance with the requirements of the NRS and the BOC, a copy of this Plan will be maintained in the records of the converting entity and of the converted entity, and a copy of this Plan will be provided without charge, on written request, to any shareholder of the converting entity before the conversion is effective or to any shareholder of the converted entity after the conversion is effective.
