TRADEMARK ASSIGNMENT

WHEREAS, NeoNova Network Services, LLC, a Delaware limited liability company (hereinafter "**Assignor**"), is the owner of all right, title and interest in and to the trademarks and corresponding applications and registrations therefor as set forth on Schedule A attached hereto (collectively the "**Marks**").

WHEREAS, Cloud Service Partners LLC, a Delaware limited liability company (hereinafter "**Assignee**"), is desirous of acquiring said Marks together with the goodwill associated therewith and certain other assets of Assignor pursuant to the terms and conditions of an Asset Purchase Agreement (the "**Purchase Agreement**") dated as of even date herewith by and between Assignee and Assignor.

NOW THEREFORE, for good and valuable consideration, receipt of which is hereby acknowledged, Assignor does hereby assign unto Assignee all rights, title and interest in and to the Marks together with the goodwill of the business symbolized by the Marks, the applications and registrations therefor, as well as all rights to injunctive relief, damages arising out of past infringement of the Marks or injury to the associated goodwill, and the right to sue for and recover the same in Assignee's own name. Assignor will cooperate with Assignee, at Assignee's sole costs and expenses, including performance of any reasonable actions, and the execution and delivery upon the reasonable request of Assignor of any documents necessary or appropriate to give effect to the intent and terms of this Trademark Assignment (this "**Assignment**"). In the event of a conflict between the terms of this Assignment and the Purchase Agreement, the Purchase Agreement shall control. The Assignor, by its execution of this Assignment, and the Assignee, by its acceptance of this Assignment, each acknowledge and agree that neither the representations and warranties nor the rights and remedies of any party under the Purchase Agreement shall be deemed to be enlarged, modified or altered in any way by this instrument.
