Assignment of Trademark

THIS ASSIGNMENT OF TRADEMARKS is made by and between Bryte Light Enterprises LLC ("Assignor"), and Zingle, Inc. a Delaware corporation (Assignee").

WHEREAS, Assignor owns the trademark, common law rights therein, and the following registration filed with the United States Patent and Trademark Office:

Registration number: 3646626

Trademark: ZINGLE

International Classes:

IC 009. Computer software for wireless content delivery; electronic handheld units for the processing of orders for goods and services using mobile communications devices; electronic handheld units for the wireless receipt and/or transmission of data and which may also have the capability to transmit and receive voice communications and print, namely, handheld computers, personal digital assistants and printers and accessories therefor, namely, batteries, cases, battery chargers, holsters and antennas; computer communications software for the transmission and/or reception of messages, global computer network e-mail, and/or other data between one or more electronic handheld units and a data store on or associated with a personal computer or a server; computer communication software for the synchronization of data between a remote station or unit and a fixed or remote station or unit and software which enables and provides one-way and/or two-way wireless connectivity to data, including corporate data.

IC 038. Wireless electronic transmission of content for processing orders for good and services using mobile communications devices; e-mail service; wireless data messaging services, particularly services that enable a user to send and/or receive messages through a wireless data network; one-way and two-way paging services; voice communication services, namely, electronic, electric, and digital transmission and reception of voice communications.

WHEREAS, Assignee is desirous of acquiring all right, title and interest in the Trademark, and the goodwill associated therewith,

WHEREAS, Assignee is acquiring the entire business or portion thereof to which the Trademark pertains;

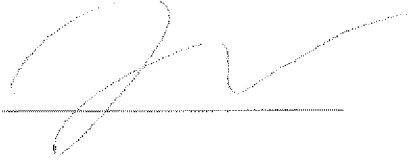

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor assigns to Assignee all of its right, title and interest in the Trademark, together with the goodwill associated therewith as required by 15 U.S.C. section 1060; and all rights of action accrued, accruing and to accrue under and by virtue hereof, including, without limitation, its right to sue for and collect damages for infringement or other violations of the same, including for past infringements or other violations. Assignor hereby agrees to execute

all such documents as may be required to transfer and, when applicable, to record the transfer of the Trademark and the Trademark Registration and Applications.

IN WITNESS WHEREOF, this Assignment of Trademarks has been duly executed to be effective as of July 14, 2016.
