## SUPPLEMENTAL TRADEMARK ASSIGNMENT

This Supplemental Trademark Assignment Agreement ("Supplemental Trademark Assignment") is made effective as of December 14, 2012 (the "Effective Date") by and between Arrow Forklift Parts, LLC, a Missouri limited liability company previously located at 1620 Oakland Avenue, Kansas City, Missouri 64126 ("Assignor") and Arrow Acquisition, LLC, a Kansas limited liability company with an address at 16000 West 108th Street, Lenexa, Kansas 66219 ("Assignee").

WHEREAS, Assignor and Assignee are parties to that certain Asset Purchase Agreement dated October 11, 2012 ("APA"), pursuant to which Assignor undertook to transfer, sell and convey to Assignee all of the Assets owned by Assignor, and, pursuant to the transactions contemplated by the APA, Assignor must transfer to Assignee its entire right, title, interest, benefit, and privilege in and to the trademark specified on Exhibit A hereto (the "Mark"), together with the goodwill of the business symbolized by the Mark;

WHEREAS, Assignor and Assignee are parties to that certain Assignment of Trademarks dated December 14, 2012 ("Original Trademark Assignment"), pursuant to which Assignor assigned its entire right, title, interest, benefit, and privilege in and to certain trademarks listed therein;

WHEREAS, the Mark was not listed in the Original Trademark Assignment and, as contemplated by the APA, Assignor wishes to assign the Mark to Assignee, and Assignee is desirous of acquiring the Mark from Assignor, together with the goodwill of the business symbolized by the Mark;

WHEREAS, Assignor is conveying the Mark to Assignee as part of the transfer of all or substantially all of the assets of the Business; and

WHEREAS, capitalized terms used but not defined in this Supplemental Trademark Assignment shall have the respective meanings ascribed to such terms in the APA.

NOW, THEREFORE, for valuable consideration furnished by Assignee to Assignor, the receipt and sufficiency of which are hereby acknowledged, the parties hereby agree to the following:

1. Assignor hereby assigns, transfers, and conveys to Assignee, as successor to the business of Assignor, and its successors, assigns and legal representatives, the whole entire right, title, and interest in and to the Mark, including all goodwill associated therewith, and the right to sue for and the remedies resulting from past and future infringement of the foregoing, and right of protection of interests therein.

2. Assignor authorizes and requests the Commissioner of Patents and Trademarks of the United States of America and the empowered officials of all other governments to issue or transfer the Mark to Assignee, as assignee of the entire right, title, and interest therein or otherwise as Assignee may direct.

3. Assignor covenants, agrees and undertakes to execute, wherever requested by the Assignee, all assignments, lawful oaths and any other papers which Assignee may deem reasonably necessary for securing to Assignee or for maintaining for Assignee the Mark, all without further compensation to Assignor.

4. Assignor agrees that it is hereby legally bound, upon request and at the expense of Assignee or its successors or assigns or a legal representative thereof, to supply all information and evidence of which Assignor has knowledge or possession relating to the Mark (and the business identified by the Mark), and to testify in any legal proceeding relating thereto.

5. Assignor hereby constitutes and appoints Assignee as Assignor's true and lawful attorney in fact, with full power of substitution in Assignor's name and stead, but for Assignee's benefit, to take any and all steps, including proceedings at law, in equity or otherwise to execute, acknowledge and deliver any and all instruments and assurances necessary or expedient in order to vest the aforesaid Mark and causes of action more effectively in Assignee or to protect the same, or to enforce any claim or right of any kind with respect thereto. This includes any rights with respect to the Mark that may have accrued in Assignor's favor up to the Effective Date. Assignor hereby declares that the foregoing power is coupled with an interest and is irrevocable.

6. This Supplemental Trademark Assignment may be executed in counterparts, each of which will be deemed an original, but all of which together constitute one and the same original. This Supplemental Trademark Assignment may not be amended except by an instrument in writing signed by each of the parties hereto.

*[Signature Page Follows]*

IN WITNESS WHEREOF, the parties have executed this Supplemental Trademark Assignment as a sealed instrument effective as of the date first above written.
