Trademark Assignment

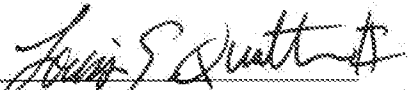

IN THIS TRADEMARK ASSIGNMENT AGREEMENT (this "Assignment Agreement"), effective as of the 11th day of March, 2013 ("Effective Date"), United Technologies Corporation, a Delaware (the "Seller"), and EcoServices, LLC, a Delaware limited liability company (the "Company"), agree as follows:

1. Seller and its affiliates adopted and used, or have the intent to use, in connection with the Business (as defined in that certain Amended and Restated Unit Purchase Agreement, dated as of May 16, 2012, among United Technologies Corporation, acting through its Pratt & Whitney division, Pratt & Whitney Line Maintenance Services, Inc., EcoServices, LLC and Vision Technologies Aerospace Incorporated (the "UPA")), the trademarks identified in Schedule C attached hereto (together with all common law rights therein, and all registrations and applications for registration thereof, the "Assigned Trademarks") and, pursuant to the UPA and the IP Purchase Agreement (defined below), Seller and/or its affiliates, as applicable, agreed to transfer or cause to be transferred all of the assets, rights, titles and properties of the Business to the Company.
2. Seller and the Company have entered into an Intellectual Property Purchase Agreement dated March 11, 2013 (the "IP Purchase Agreement") by which Seller agreed to sell to the Company, among other things, all of its right, title and interest in and to the Assigned Trademarks.
3. For good and valuable consideration set forth in the IP Purchase Agreement, the receipt and sufficiency of which are hereby acknowledged, Seller hereby sells, assigns, transfers, and sets over to the Company, and its lawful successors and assigns, all of Seller's right, title, and interest in and to the Assigned Trademarks, including, but not limited to, all benefits, privileges, causes of action, and remedies relating thereto, including, without limitation, the exclusive rights to (a) apply for and maintain all registrations, renewals and/or extensions thereof, (b) sue and otherwise recover for past, present and future infringement, dilutions, and other violations thereof, and (c) grant licenses or other interests therein. The foregoing includes, and Seller hereby sells, assigns, transfers, and sets over to the Company, and its lawful successors and assigns, the goodwill symbolized by and associated with the Assigned Trademarks. The Company acknowledges and accepts such assignment.
4. Seller hereby agrees (and to the extent it has the power to do so, to cause its employees to agree), without further consideration, to sign all lawful papers when called upon to do so, execute and deliver any and all papers that may be necessary or desirable to perfect the title in the Company to any Assigned Trademark, make all rightful oaths and generally do everything possible to aid the Company to obtain proper trademark protection throughout the world with respect to the Assigned Trademarks, it being understood that any expense incident to the execution of such papers shall be borne by the Company.
5. This Agreement shall be construed and enforced pursuant to the laws of the State of New York and of the United States. The sole and official version of this Agreement is in the English language.
