Re: Asset Purchase Agreement w/ STATS, LLC

Transfer of Trademarks to SportsHub Technologies, LLC

Summary

The Intellectual Property Assignment Agreement portion of the Asset Purchase Agreement, duly executed by STATS, LLC, was created to transfer ownership rights in five trademarks relating to the Fantasy Sports Industry to SportsHub Technologies, LLC.

These marks are currently registered and in good standing with the USPTO. In practical effect, the assignment will need to be recorded with the USPTO to transfer full ownership to SportsHub Technologies, LLC. Once the recordation is complete, the USPTO will then send all future maintenance notifications or renewal notifications to SportsHub Technologies, LLC directly. The trademarks being transferred as a part of this agreement are pictured below:

At the bottom, there is a small image of a football.

Conclusion

In total, the actions that need to be taken subsequent to the execution of the Asset Purchase Agreement are as follows:

- Record the assignment of each one of the marks from STATS, LLC to SportsHub Technologies LLC with the USPTO
- Ensure that the USPTO has a proper correspondence address for SportsHub Technologies, LLC relating to the assignment
- Await, and respond to any future communications from the USPTO regarding the payment of maintenance fees, and renewal of the trademarks as necessary
