TRADEMARK and COPYRIGHT ASSIGNMENT

This is an Assignment, having an effective date of November 17, 2016, by and between:

American Grease Stick Company, a Michigan limited partnership, having its principal office and place of business at 2651 Hoyt Street, Muskegon Heights, Michigan 49445 (the "Assignor"); and

AGS Company Automotive Solutions LLC, a Delaware limited liability company, having its principal office and place of business at c/o Three Rivers Capital, LLC, Frick Building, 437 Grant Street, Suite 500, Pittsburgh, Pennsylvania 15219 ("Assignee").

Assignor owns certain trademark, service mark, copyright and/or other rights in the names, marks and/or material works identified or otherwise illustrated in Schedule A, hereto (the "Intellectual Property"). Assignee is desirous of acquiring all right, title and interest in and to the Intellectual Property.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor has sold, assigned, transferred and set over, and does hereby sell, assign, transfer and set over to Assignee the Intellectual Property identified in Schedule A and all intellectual property rights associated therewith, including, but not limited to, all goodwill of Assignor's business associated with said Intellectual Property as set forth in Schedule A together with any trademark, service mark and/or copyright applications and/or registrations including the same for the United States and all foreign countries and any registrations that may issue therefor in the United States and any foreign countries; the same to be held and enjoyed by Assignee for its own use and enjoyment, and for the use and enjoyment of its successors, assigns and other legal representatives, as fully and entirely as the same would have been held and enjoyed by Assignor if this assignment and sale had not been made, for the use and benefit of its successors, assigns or other legal representatives, together with all claims by Assignor for damages by reason of past infringement of any trademark, service mark or copyright which arises from the Intellectual Property, with the right to sue for, and collect the same for its own use and benefit, and for the use and benefit of its successors, assigns or other legal representatives.

Assignor agrees that it, and its legal representatives or other persons duly authorized, will communicate to Assignee or the representatives thereof any facts known to it respecting said Intellectual Property set forth in Schedule A and will, upon request, testify in any legal proceedings, sign all lawful papers, make all rightful oaths, and generally do all other and further lawful acts, deemed necessary or expedient by Assignee or by counsel for Assignee, to assist or enable Assignee to obtain and enforce full benefits from the rights and interests herein assigned. This assignment shall be binding upon Assignor's successors and assigns, and shall inure to the benefit of the successors and/or assigns of Assignee.
